To the Licenses Committee of the Common Council,

My name is Naomi Jackson. I am a graduated Nurse who works in reproductive health. I have been working in healthcare for the past 17 years. With Roe V. Wade possibly being overturned, I will become unemployed. I am ready to start my new journey/career despite the SCOTUS decision. That new journey is cooking. I have a passion for cooking. I have been cooking since I was 12 years old and I am very good at it. The results of my cooking bring me joy and happiness.

I am writing this letter to appeal the recent decision that was made to object my food dealer license. I put in an application for a food dealer-Restaurant license at the 12-step club located at 4102 W. Townsend. It was objected based on the neighborhood objections. I am not sure exactly what this means, but I am willing to do what's necessary to develop relationships with the neighbors. I can guarantee you that my establishment will effectively impact the community in a positive way. The club will remain at this location and all I will be doing is selling meals and using the kitchen to cook for my catering events. I will not increase the traffic by providing meals to 12 step club members and their families. My father has been a member to the club for over 20 years. This place has saved his life and our relationship. He has also help save the lives of so many members at this club by becoming clean and sober. The club holds daily meetings for AA and substance abuse. I am asking permission to be able to cook and sell meals at this location. I will only be open the hours of 12 step club. I am renting out this space, so I have to follow the rules of 12 step. If given the opportunity, I will be able to give back to the community as well as do what I love to do.

In summary, I would love to pursue my passion for cooking by opening the kitchen space at 12 step club. I kindly request you and your department to reassess and reconsider your decision.

I greatly appreciate you taking the time out to read this. I am available anytime for further discussion.

Yours sincerely,
Naomi Jackson

Good evening,

I wanted to file a complaint against the 12step. On Friday the 12step were set up outside all day selling clothes, shoes etc. that evening they had a party or event and a woman drove up on my grass and the side walk almost smacking my gate with the front of her vehicle and then she turns around and reverse up a one way. At this point I'm just ready for the 12step and I to come to common grounds with consistent respect and common courtesy. There's no accountability or taking responsibility just excuses for poor behavior.

Good morning,

I wanted to file complaint about the 12step club located at 4102 w. Townsend ave. Saturday night their were people blocking the alley way entrance, more then a few cars pulling up playing loud music. There were people coming up to the 12step at 9pm and not leaving until 11:30pm. Sunday you have a man sitting in his car in back of the 12step playing his music loud.
