Leaving the stoplight
I cross Vliet Street and
Went into a pot-hole.
I heard and felt a
bump hoop.

Saw the damage the next day
as I was driving off car.
A sliver of rubber was
mirrored from the sidewalk
and the rim was damaged.
Tires are new from
Nov. of last year.

on the 15th of May I went
back and taken pictures
of the hole, the intersection
and street sign.

showed it to the
in for motion desic
and told the intersection.
I got got claim information
the same day.

I got an all wheel alignment
in the mail from
RUSSELL Darrow Nissan.
(where I bought tires in
November 2018)

Made an appointment to
have that done and Service
Manager suggested a
diagnostic-testing for
damage before wheel alignment.

The cost was \$14187 on
May 28th, 2019.

(3 of 4)

Then advised Replacing
damage tire (because it
could cause a blow out)
and alignment

Total cost \$1360.35
