Hello my name is [redacted] I live at [redacted] I am trying to get in contact with you about an improper loading zone here on the 2400 block of north booth street. I'm not quite sure how the loading zone exists but I am being lead to believe that it is for a handicapped person of some kind when in fact there are no handicapped people living in the house that it serves. There are also at least five other neighbors here on this end of Booth street that can attest that this loading zone is never used, no one is ever dropped off or picked up, no special vehicles ever utilize the zone either. This loading zone is an extreme nuisance especially during winter when parking is scarce. I had a one sided conversation with a woman in the license office, she did not even let me speak or help at all with my problem. This is improper use of a loading zone which normally no one would care but this neighborhood is street parking and it is not fair to have a pointless loading zone that limits parking access in front of my own home. I will continue to email/call/write and inquire as well as complain; and so will my neighbors until this problem is addressed. Please contact me at this email address or call me at [redacted]

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 12/1/2014 at 9:15 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.

 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

This report typed by P.O. Jeff THIELE, CID days.

On Wednesday, May 14th, 2014, Det. Anne PORTNOY informed me that there was a business located at 1951 W. Capitol Dr. that had incurred a SHD license, but I did not have a valid file for this business. Upon checking LIRA, I found that Universal Wireless had indeed obtained a SHD license in January, but had never contacted me to set up their NEWPRS account. I pulled the licensee's information off LIRA and called the licensee, identified as Jalal ALQADI.

Upon speaking with ALQADI, he at first was quite course and did not have any idea what NEWPRS was. I instructed him that it is a violation of city ordinance 92 to operate his business as a SHD without reporting and I ordered him to stop until I could meet with him to get NEWPRS squared away. We agreed to meet on Thursday, May 15th, 2014 to accomplish this.

Upon my arrival at his store on Thursday, May 15th, 2014 at approximately 12:20pm, I was disturbed to find that they had been taking in cell phone and computers and were not reporting into NEWPRS. I also found that they did not hold the items for 10 days as required by law, did record an address of the seller, and that they regularly purchased items from students and persons under the age of 18. It is obvious they did not read any section of MCO 92 prior to conducting business.

I did set up a NEWPRS account for them and did train the manager of the business Abdel ALI in how to enter a transaction. I did run a test transaction for them on an actual purchase they had made. I also instructed them that they must keep items for 10 days, must take pictures, must take an ID, cannot buy from children or persons under 18, must complete a declaration of ownership which they did not do before, and warned them about the stings we do. I did instruct them about what kind of ID they can and cannot take, provided them a fresh copy of MCO 92 and a NEWPRS manual. I also provided them with a NEWPRS sign but they had one already and left my business card.

At this time they were warned verbally about these violations.

Monday, December 01, 2014 at 9:15 AM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 12/1/2014 at 9:15 AM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.

 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This report is written by P.O. Laurel Lammers, assigned as the District Five Community Liaison Officer. On Thursday, July 17th, 2014 at 12:30 pm, I met with Barbara Lathan regarding her application for a new public entertainment license and Class B Tavern license for 634 W. North Ave., which will be under the business name of PNC.

The proposed business is located on the north side of West North Ave, just east of North 7th Street, which is an entrance location to the freeway. The location is currently opened under the business of Just Jazz and Blues bar. The main entrance to the business is on the south side of the building facing out onto North Avenue. I could clearly see into the business from outside and could see the bar area where employees would normally be working. The front windows of the business were clear and free of signage. I did observe one light above the entrance door, but since it was daytime, it was not on. I did not observe any other exterior lights on the building itself, or any cameras. There is street lighting that would appear to possibly light the business, but I did speak with Ms. Lathan about installing more exterior lighting and cameras. Parking for the business would all be street parking.

The interior of the business appeared neat and clean. I did not observe any interior cameras. There was no posted capacity at the time of the inspection but Ms. Lathan stated that she would be keeping the capacity the same as the previous business, which she thought was 62. Ms. Lathan stated that she plans on having a minimum of five employees staffed at the business to include herself. She plans to have contracted security personnel on an as needed basis, for special events. Ms. Lathan stated that she does plan to enforce some type of dress code and she will be enforcing an age restriction of thirty and up.

I did speak with Ms. Lathan about adding interior cameras and where to place them. I also spoke with her about having a safe installed for the handling of cash.

In addition to the camera program information, I did also mail Ms. Lathan a copy of the District Five contact guide so that she would have emergency and non-emergency contact numbers. There is no phone at the business at this time, but she does plan on getting one installed once the business is up and running.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This supplementary report is written by P.O. Laurel Lammers, assigned as the Community Liaison Officer for District Five. On Thursday, August 21st, 2014 at 4 pm, I met with Ms. Raven Thompson regarding her license application for 1806 N. Dr. Martin Luther King Jr. Dr. This survey was conducted at that location.

Upon arrival, I found that the building is zoned for mixed use, residential and commercial. The residential comprises the upper portion of the building. The commercial tavern that is currently at the location comprises the lower level of the building. There is one main entrance door to the business on the west side of the building facing out towards Martin Luther King Dr. There is a door just to the north of the business entry door; also on the west side of the building, that accesses the remaining portion of the building. There is an awning over the entrance of the building and the lighting appears to be only from street lighting. I observed one exterior security camera, which is on the southwest corner of the front of the building and is aimed at the sidewalk going to the north towards the main entrance door. The building itself is situated on the northeast corner of the intersection of Martin Luther King Drive and Vine Street and has a fenced in parking lot on the south side of the building. To the north is another commercial building that is occupied by a business, Mama Ink Tattoos.

The location is currently being used as a tavern under the name of Total Game Sports Bar. The interior of the business was clean and neat. I observed four interior cameras. Ms. Thompson stated that she would be taking over all of the property inside of the business including the camera system but not to include any of the televisions in the current business.

Ms. Thompson stated that she plans to open her tavern at the end of September, beginning of October, pending her license review. She plans on being open seven days a week from 6 am to close. Current approved occupancy is 99. She does not plan on employing security at this time and will have no age restriction. She does plan on having someone to check ID's.

Recommendations made:

I did speak with Ms. Thompson about learning and managing the current camera system. I also mentioned possibly adding more exterior cameras and explained the Surveillance Camera Program that is being sponsored by the Milwaukee Police Department and Safe & Sound. We also spoke about cash handling. Ms. Thompson stated that she will be taking cash and hopes to have Intuit go payment system installed. I did recommend that she purchase a safe that can be mounted to keep cash.

On Friday, June 28, 2013, at about 12:50 PM, while assigned to Squad 2741 with P.O. Penny BROWN, we conducted a licensed premise check at J & J's Tap located at 1731 W. Atkinson Ave. We received information that the business purchased illegal beer, Milwaukee's Best, from an unknown location and had it for sale at the business.

Upon arrival, we observed the tavern was open with two patrons. We spoke with the bartender, Michael C. NASH, B/M, 03-27-45, of 3927 N. 11th St. regarding the information we received. NASH had a valid class D operator's license. NASH provided P.O. BROWN with invoices regarding the beer, including Milwaukee's Best, purchased at the tavern in June of 2013. I searched behind the bar and the rear office area with coolers and observed only two cases of Milwaukee's Best beer on the floor. NASH stated he did not have a key for the padlock on the door to the basement. NASH stated they do not store any beer or alcohol in the basement. NASH further stated the tavern is closing on Sunday, June 30, 2013. The licensee for the business is James C. WHITE, B/M, 09-22-37, who was not on scene. The licenses were posted in the business.

NARRATIVE SECTION:

This report is submitted by PO Paul MARTINEZ, District 5 tavern car.

On Tuesday, 07/17/12 at approximately 11:43pm, I responded to a shooting outside of the tavern, "J & J's Tap" at 1731 W Atkinson Av. On scene, I conducted a check of the tavern which appeared to be in order with all necessary, current licenses. I interviewed the bartender, Veronica - STRINGER (b/f, 02-28-61) who stated that the victim was a customer that evening and was unsure of what happened. I asked STRINGER if she notified the police, STRINGER stated that a customer used the phone from the bar to do that. The cad does indicate a call being made from the tavern.

I observed (2) surveillance cameras inside the tavern which were not working. There were no surveillance cameras outside the establishment.

I have been unable to make contact with the owner, James C WHITE (b/m, 09-22-37) at this time.

The shooting occurred directly outside on the sidewalk in front of the front door of the tavern. Information leads us to believe that this incident stems from retaliation from a previous drug related shooting.

The victim, Jermaine L WRIGHT (b/m, 03-20-79) died on the scene.

This report is typed by P.O. Matthew R. WAGNER, assigned to District 5, Late Shift.

On Wednesday, April 3rd, 2013 at 12:55am, I (sq 5331) responded to 1731 W Atkinson Av (J + J's Tap) to investigate a Shooting complaint.

Upon arrival I interviewed the bartender/caller (Veronica STRINGER, b/f, 02-28-61) who stated, while tending bar, one of the patrons who stepped outside to smoke came in saying he was shot. STRINGER stated she did not see or hear anything that happened outside.

I then interviewed a patron (Lornce HENNING, b/m, 05-06-47) who stated he was sitting at the bar next to the opening of the bar. He stated he did not see or hear anything that happened outside. He stated the male just came into the bar saying he was shot.

The male that was shot was later identified as Norman A. ROLLINS (b/m, 06-05-66). ROLLINS was a patron of the tavern before going outside to smoke. While outside of the tavern, ROLLINS was shot with a small caliber handgun.

According to a witness (S.T. CROSS Jr, b/m, 10-10-68), interviewed by P.O. Charles SEELow (sq 5321), ROLLINS and him went outside to smoke. CROSS stated that ROLLINS then went around the corner, to the east of the bar, to urinate. CROSS stated this is when two subjects came from the west and grabbed him. CROSS stated the two subjects told him to go around the corner. CROSS stated he fought to get away and made it back into the bar. CROSS stated as he was going back into the bar the two subjects went around the corner to where ROLLINS was urinating. CROSS stated he did not hear any shots being fired, but a short time later ROLLINS came into the bar saying he was shot.

During the investigation, Det Jason DORAVA (sq 9290) responded to handle the incident (#13-093-0009).

The scene of this incident occurred next to a garbage dumpster located just east of the tavern. Two .22 caliber casing were recovered at the scene and placed on inventory by Det DORAVA.

There are no video cameras located on the outside of the tavern. The video cameras located inside of the tavern are currently not operating and have not been for approximately three months.

ADDITIONAL COMMENTS/RECOMMENDATIONS:

This supplementary report is written by P.O. Laurel Lammers, assigned as the Community Liaison Officer for District Five. On Monday, August 25th, 2014 at 12pm, I met with Mr. James White regarding his license application for J & J's Tap, which is located at 1727-1737 W. Atkinson Ave. This survey was conducted at that location.

Upon arrival, I found that the building is zoned for mixed use, residential and commercial. The residential comprises the upper portion of the building. The commercial tavern that is currently at the location comprises the lower level of the building. There appears to be three entrance doors to the location, all on the north side of the building facing out towards Atkinson Avenue. Only the center entrance door actually leads into the tavern. I observed one light over the main entrance, as well as another light fixture over the third, west most, doorway. That fixture did not have any working bulbs in it. There is also a large illuminated sign above the main center door, which has the tavern's name advertised on it. I did not observe any exterior cameras. Posted on the outside of the building on the north wall between the east and center doors, is a "No Loitering" sign. I observed six windows for the business all on the north side of the building. All of the windows are approximately the same size, are small, and have either a sign or bars obstructing them. The building itself occupies the entire corner of N. 18th Street and W. Atkinson Ave. with ISOM Brother's used furniture store occupying the west corner of the building on the lower level. To the east of the building is a vacant open lot. Across the street are residential apartment buildings. There is no parking lot for the tavern; patrons have access to on street parking only. There is no designated private smoking area outside.

The inside of the location appeared to be a full bar that would be ready to open. Mr. White did state that he closed the bar last summer and has not been open since. There is no business phone for the location; it does have three interior cameras. Only one of those cameras currently works and it is not aimed at the entrance.

In speaking to Mr. White, he plans to open the business at the end of September, or beginning of October, if his license is granted. He plans on being open seven days a week; Monday through Thursday, 12pm - close; and Friday, Saturday, Sunday; 10am - close. Current approved occupancy is 79. Mr. White stated that he plans to employ two persons initially to work at the bar for him, one of which is his sister, and the other is a man who worked at the bar previously. Mr. White does plan on having an employee check ID's and will be enforcing a 30 and older age restriction and a dress code on an as needed basis

Recommendations made:

I spoke with Mr. White regarding improving the exterior lighting and installing exterior cameras. I did explain the Surveillance Camera Program that is being sponsored by the Milwaukee Police Department and Safe & Sound. I also suggested that Mr. White repair his current camera system and better familiarize himself with it. Mr. White commented that he would be a cash only business, so I spoke with him about proper cash handling and installing a mounted safe. I did advise Mr. White that I had received complaints from the neighboring community about his tavern when it had been open about noise from patrons and litter. He stated that he would have someone to pick up garbage around the location. He did not think that noise from the patrons was that often of an occurrence.

REDACTED RECORD

To whomsoever it may Concern

On behalf of

..... object to a license for Mr. James C. White to operate the I&I's tavern located at 1727-1733 West Atkinson Avenue.

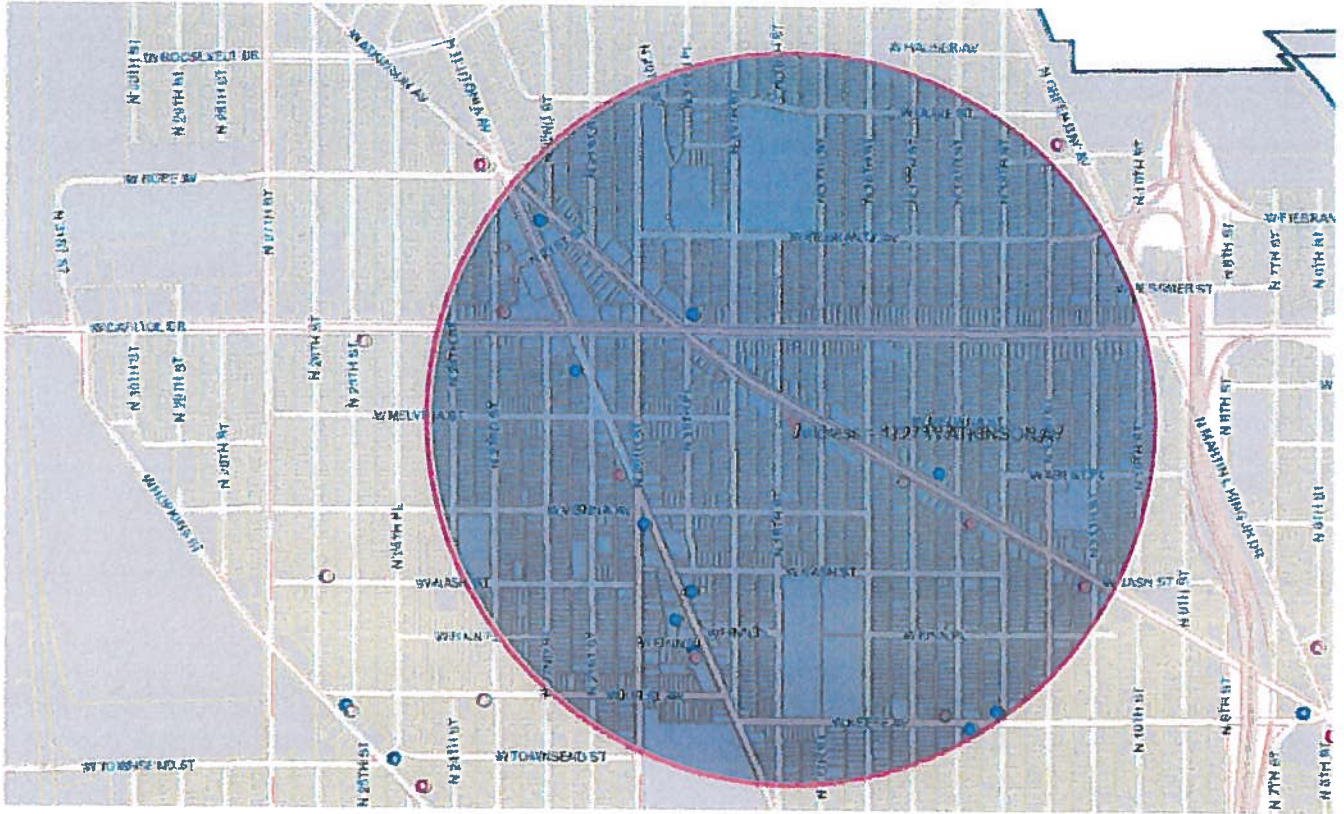

In the past this establishment has been the focal point of drug activity, shootings and other activity that has had an adverse effect on the neighborhood. I see no use that it would serve if it were to re-open but to bring more of the same. It is our aim with other community residents to clean up Atkinson Avenue. Therefore we vehemently opposed a license be granted the pursuant.

Sincerely,

RE: RUSSELL'S FOODS
109 E. BURLEIGH STREET
MILWAUKEE, WI

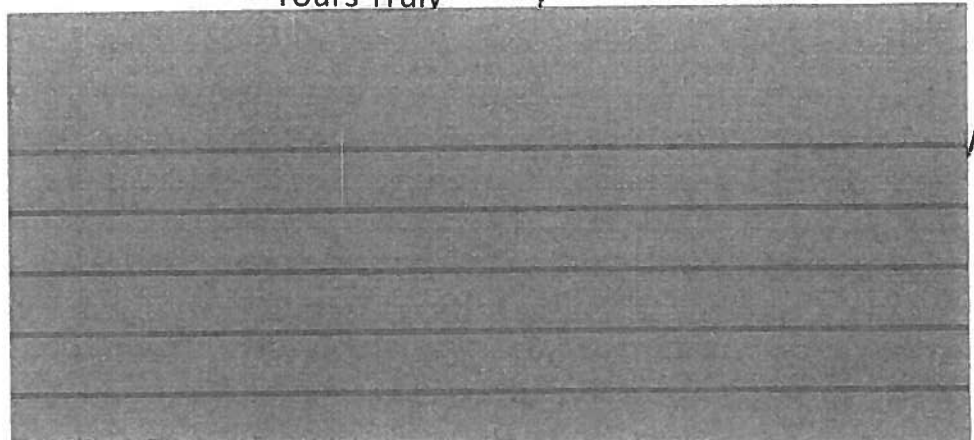

Dear License Division:

I am writing to object to granting the new food license to this store. My reasons for objecting are that this store is dirty and unclean. He always tries to sell outdated food items. I have seen this store sell single cigarettes to underage 18 youths. There are always loiters in front of the store and we have seen drug dealing taking place in front of store. The owner doesn't do anything about this activity. The same owner has owned this store for many years, but he keeps changing agents for the licenses because the old licenses get taken away. I know that if someone from the city visits this store today they will find Eddie Hamed running the store and behind the cash register even though the licenses are not in his name and he was charged and convicted of buying food stamps and Wic coupons. These charges are felonies. We have also seen him buying and selling stolen merchandise (like baby milk).

This store has been bringing crime into our neighborhood, and I feel it would be best if this store was shut down.

Thank You!

I am writing to you concerning matters regarding Russell's store.

I have ^{been} located ^{over} 30 plus years. I have witnessed drug selling, Public drunkenness, among other things. The store front and the rest of the grounds are not being kept. Rats, Stray cats and large Raccoons around the area.

This is a drug free zone and they still continue to sell drugs and display blatant disrespect to others. These actions pose a great threat to safety to all residents. Thank you for your time.

Respectfully,

Subject: Russell's Foods

I'm emailing in regards to Russell's Food Store, I visited this store to purchase food and they had no items that I needed. The store was filthy, I saw a mice inside as well as expired food!! I was appalled by this, I'm wondering what could be done about this! It's a neighborhood store that I thought would of been clean and had some of the items I needed and they had none and the ones that they did have were expired! He actually sells single cigarettes to minor children! A young girl who couldn't of been an adult wasn't asked for her ID and was allowed to buy a cigar and a cigarette. It's been an ongoing issue and we've had enough in the neighborhood, every other couple of months he has someone else that he's trying to get a license in their name! Now I received a letter and it shows he's trying to get one in his sons name! The store doesn't benefit us at all, to be here in the neighborhood! Please do something about this constant problem!

Here's my contact number and I can be reached by email as well! Thanks

I have seen this store sell single cigarettes to underage 18 youths. There are always loiters in front of the store and we have seen drug dealing taking place in front of store. The owner doesn't do anything about this activity. The same owner has owned this store for many years, but he keeps changing agents for the licenses because the old licenses get taken away. I know that if someone from the city visits this store today they will find Eddie Hamed running the store and behind the cash register even though the licenses are not in his name and he was charged and convicted of buying food stamps and Wic coupons. These charges are felonies. We have also seen him buying and selling stolen merchandise (like baby milk).

This store has been bringing crime into our neighborhood, and I feel it would be best if this store was shut down.

Thank You!

68-4-11. CAUSES FOR COUNCIL DENIAL, REVOCATION OR SUSPENSION OF LICENSE.

An application for a new or renewal food dealer's license may be denied, or any license issued under this section may be suspended or revoked, by the common council for any of the following causes:

- d. The conviction of the applicant or licensee, his or her agent, manager, operator or any other employe for sale or possession with intent to sell any controlled substance or for any felony related to the licensed operation which, in the judgment of the common council, is pertinent to the license being applied for or renewed.
- e. A showing that the applicant or licensee has violated any state law or city ordinance prohibiting the sale of tobacco products to underage persons.
- f. The violation of any of the excise laws of the state.
