To the Public Works Committee

Subject: Common Council Resolution File Number 121511

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 121511, being a resolution to grant a special privilege to Jake's Delicatessen Inc to construct two double gates that when opened project into the public right-of-way for the premises at 1634 West North Avenue.

The applicant is requesting permission to construct and maintain two sets of double gate swings that, when fully open, project 5 feet 5 inches into the adjacent 15-foot wide east-west alley. The two sets of gates are each comprised of two, 6-foot 8-inch wide single gates which are set back from the alley 1 foot 4 inches.

We are not aware that the presence of said gate swings will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said gate swings to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
