Subject: 5TH ALD. DIST. – FILE #031625  
REMOVE PARKING RESTRICTIONS  
VARIOUS LOCATIONS IN  
THE 5TH ALDERMANIC DISTRICT

Dear Alderman Bohl:

As part of our on-going effort to verify field parking sign installations with ordinance records on file in the Legislative Reference Bureau, we have discovered that the signs for the parking restrictions listed below are not present in the field. The area residents or businesses have not questioned the absence of these signs, and we believe that the restrictions are no longer needed. We, therefore, recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 84th Street from West Burleigh Street to a point south – No Parking
2. North 88th Street from West Vienna Avenue to a point south - No Parking
3. West Metcalf Place from North Willis Place to a point west – No Parking

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer
