Title

Resolution authorizing the installation of a new traffic control signal at the intersection of West Bolivar Avenue and South 13th Street in the 13th Aldermanic District at a cost of \$61,000 for a total estimated cost of \$61,000, 100% of which will be reimbursable from the Wisconsin Department of Transportation.

Analysis

This resolution authorizes the Commissioner of Public Works to install a new traffic control signal at the intersection of West Bolivar Avenue and South 13th Street at a total estimated cost of \$61,000, with 100% of those funds to be reimbursable from the Wisconsin Department of Transportation. This resolution also authorizes the Comptroller to transfer the funds to the appropriate accounts for the project. The total estimated cost of the entire project is \$61,000.

Body

Whereas, The Wisconsin Department of Transportation, in reconstructing the I-94 North-South Freeway, will be closing the Layton Avenue bridge over I-94 for at least 6 months; and

Whereas, The bridge closure will cause an increase in traffic on South 13th Street and the intersection of West Bolivar Avenue and South 13th Street will likely warrant the installation of a traffic signal; and

Whereas, The total estimated cost of installing a traffic signal at the intersection is \$61,000; and

Whereas, One hundred percent of the total cost of the traffic signal is reimbursable from the Wisconsin Department of Transportation and should be earmarked for this project in the 2010 Capital Grant and Aid Projects Account, Project/Grant Number SP032100100; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee that the Commissioner of Public Works is authorized to install a new traffic control signal at the intersection of West Bolivar Avenue and South 13th Street; and, be it

Further Resolved, That the City Comptroller is authorized to create within the Capital Grant and Aid Projects Fund the appropriate Project/Grant Chartfield Value for this project; and transfer to these accounts the amount required under the agreement and City accounting policy, but not to exceed a ten percent increase of the total amounts reserved for the grantor's share and local share or \$5,000, whichever is greater as follows:

Title

Resolution relative to the cost participation and installation of coordinated traffic control signals at six all-way stop controlled intersections under the Congestion Mitigation/Air Quality program at a total estimated cost of \$379,240.82, with an estimated grantor share of \$303,392.66, an estimated City of Greenfield Share of \$8,775.00, and an estimated City of Milwaukee share of \$67,073.16, and to install these improvements upon execution of the agreement.

Analysis

This resolution authorizes the Commissioner of Public Works and Comptroller to enter into a funding agreement to install coordinated traffic signals at six all-way stop controlled intersections under the Congestion Mitigation/Air Quality (CMAQ) program at a total estimated cost of \$379,240.82, with an estimated grantor share of \$303,392.66, an estimated City of Greenfield Share of \$8,775.00, and an estimated City of Milwaukee share of \$67,073.16, and to install these improvements upon execution of the agreement. This resolution also authorizes the Comptroller to establish and transfer funds to the appropriate accounts for the project. The total estimated cost of the entire project is \$390,000.00, with a grantor share of \$312,000.00, a City of Greenfield Share of \$9,750.00 and a City share of \$68,250.00.

Body

Whereas, The Project Agreement for the installation of coordinated traffic signals at six all-way stop controlled intersections under the 2010 Congestion Mitigation/Air Quality program was approved by the Common Council under File Number 080625; and

Whereas, The intersections of West Howard Avenue and South 43rd Street, West Howard Avenue and South 51st Street, West Howard Avenue and South 68th Street, West Howard Avenue and 84th Street, East Kane Place and North Humboldt Avenue, and West Keefe Avenue and North 51st Street are all-way stop controlled and meet Federal guidelines for the installation of a traffic control signal; and

Whereas, The installation of these six traffic control signals will result in a reduction in congestion, emissions, and fuel consumption over the existing all-way stop control at the aforementioned intersections; and

Whereas, The total estimated cost of this project is \$379,240.82 for the installation of six traffic signals; and

Whereas, Twenty percent of the participating costs, or \$75,848.16, is not reimbursable and is included in the Division's 2010 Capital Purpose Project/Grant Number ST320100000; and

Whereas, The proposed traffic signals on West Howard Avenue at South 43rd and South 84th Streets will be located in both the City of Milwaukee and the City of Greenfield and Traffic Control Agreements for these two intersections were approved by the Common Council under File Number 091212; and

Whereas, The Traffic Control Agreements will result in the City of Milwaukee billing the City of Greenfield an estimated \$8,775.00 for the installation of traffic signals on West Howard Avenue at South 43rd and South 84th Streets; and

Whereas, Eighty percent of the participating project cost, or \$303,392.66, is reimbursable from the Wisconsin Department of Transportation (WISDOT), and should be earmarked for this project in the 2010 Capital Grant and Aids Projects Fund Project/Grant Number SP032100100; and

Whereas, The State cannot proceed with any project cost overruns and/or changes in scope of more than 5% without prior Department of Public Works approval; and

Whereas, The Department of Public Works shall notify the Common Council of the City of Milwaukee at the next scheduled meeting of any such project cost overruns and/or changes in scope approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be 100% liable for any such project cost overruns and/or changes in scope as approved by the Department of Public Works; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be liable for any costs incurred by the State should the City decide to withdraw from the project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works and the Comptroller are authorized to enter into a funding agreement and are directed to execute the contract with WISDOT for the installation of coordinated traffic signals at six all-way stop controlled intersections under the 2010 Congestion Mitigation/Air Quality program with unit prices based on a predetermined estimate prepared under the Federal/State aided highway program, a copy of which is attached to this resolution, and is incorporated into this resolution as though set forth in full; and, be it

Further Resolved, That upon approval of this contract, that the Commissioner of Public Works is directed to install traffic signals at the intersections of West Howard Avenue and South 43rd Street, West Howard Avenue and South 51st Street, West Howard Avenue and South 68th Street, West Howard Avenue and 84th Street, East Kane Place and North Humboldt Avenue, and West Keefe Avenue and North 51st Street; and, be it

Further Resolved, That upon approval of this contract, the City Comptroller is hereby authorized to create within the Capital Grant and Aid Projects Fund the appropriate Project/Grant Chartfield Value for this project; and transfer to these accounts the amount required under the agreement and City accounting policy, but not to exceed a ten percent increase of the total amounts reserved for the grantor's share and local share or \$5,000, whichever is greater as follows:

Install Coordinated Traffic Signals (Six All-Way Stop Intersections)

March 15, 2010

To the Honorable, the Common Council

Subject: 2010 Congestion Mitigation/Air Quality Program
Install Coordinated Traffic Signals – Six All-Way Stop Intersections

Dear Council Members:

The 2010 Congestion Mitigation/Air Quality Program includes the installation of coordinated traffic signals at West Howard Avenue and South 43rd Street, West Howard Avenue and South 51st Street, West Howard Avenue and South 68th Street, West Howard Avenue and 84th Street, East Kane Place and North Humboldt Avenue, and West Keefe Avenue and North 51st Street in the 3rd, 7th, and 11th Aldermanic Districts to replace the existing all-way stop control.

The total estimated cost of the project is \$379,240.82. Eighty percent of the total cost, or \$303,392.66, will be funded by the Wisconsin Department of Transportation (WISDOT). The local share, or \$75,848.16, will be provided through the Division's existing Capital Improvement Program with \$9,750 being billed to the City of Greenfield.

We have, therefore, prepared the attached resolution, which authorizes the Commissioner of Public Works to execute a Local Force Account (LFA) – Local contract with WISDOT that allows City forces to install coordinated traffic signals at six all-way stop controlled intersections in the 3rd, 7th, and 11th Aldermanic Districts.

Title

Substitute resolution amending a special privilege for change of ownership to Demano Inc for a concrete platform with stairs and for addition of two concrete steps for the premises at 1006 East Brady Street, in the 3rd Aldermanic District.

Analysis

This resolution amends a special privilege for change of ownership to Demano Inc for a concrete platform with stairs and for addition of two concrete steps for the premises at 1006 East Brady Street.

Body

Whereas, Joseph Regano, Sharon Dempsey and Dennis Dempsey requested permission to construct and maintain a concrete platform with steps in the public right-of-way; and

Whereas, Permission for said items was granted in 1967 under Common Council Resolution File Number 67-1711; and

Whereas, Demano Inc now owns the property; and

Whereas, A site visit revealed the presence of two concrete steps in the public right-of-way; and

Whereas, Said concrete steps may only legally encroach into the public right-of-way by granting of a special privilege resolution adopted by the Common Council; and

Whereas, For the liability for said concrete platform with steps to be formally transferred to the current property owner, the Common Council needs to adopt an amending resolution; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that Common Council Resolution File Number 67-1711 is hereby rescinded; and, be it

Further Resolved, That Demano Inc, 1004 East Brady Street, Milwaukee, Wisconsin 53202, is hereby granted the following special privileges:

1. To keep and maintain a concrete platform with steps projecting 4 feet into the east, 16-foot wide sidewalk area of North Astor Street. Said 7 foot 8 inch long platform with steps is centered approximately 38 feet north of the northline of East Brady Street.
2. To keep and maintain two concrete steps in the north, 13-foot wide sidewalk area of East Brady Street. The west step, which is located adjacent to the intersection of North Astor Street and East Brady Street, projects 1 foot 4 inches into East Brady Street for a length of 6 feet 2 inches. The east step, which is located approximately 22 feet east of the eastline of North Astor Street, projects 2 feet 7 inches into East Brady Street for a length of 5 feet 6 inches.

Said above-mentioned items shall be used, kept and maintained to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

Said items items be maintained or removed from the public right-of-way, at such future time as they are no longer needed, to the satisfaction of the Commissioners of Public Works and Department of Neighborhood Services.

; and, be it

Further Resolved, That this special privilege is granted only on condition that by acceptance of this special privilege, the grantee, Demano Inc, shall:

1. Become primarily liable for damages to persons or property by reason of the granting of this special privilege.
2. File with the City Clerk a certificate of insurance indicating applicant holds a public liability policy in the sum of at least \$25,000 covering bodily injury to any one person and \$50,000 covering bodily injury to more than one person in any one accident and \$10,000 covering property damage to any own owner on the area or areas included within the special privilege and naming the City of Milwaukee as an insured. Both bond and insurance policy shall provide that they shall not be cancelled until after at least thirty days' notice in writing to the City Clerk.
3. Pay to the City Treasurer an annual fee, which has an initial amount of \$161.67. The subsequent annual fee is subject to change pursuant to the annual fee schedule in effect at the time of annual billing.
4. Whenever this special privilege is discontinued for any reason whatsoever, including public necessity whenever so ordered by resolution adopted by the Common Council not only remove all construction work executed pursuant to this special privilege, but shall also restore to its former condition and to the approval of the Commissioner of Public Works and curb, pavement or other public improvement which was removed, changed or disturbed by reason of the granting of this special privilege. Such grantee shall be entitled to no damages due to the alteration and/or removal for such purposes.
5. Waive the right to contest in any manner the validity of Section 66.0425 of the Wisconsin Statutes (1999), or the amount of the annual fixed fee, payable on or before July 1st of each year.
6. Put this special privilege into use within one year after approval by the Common Council of the City of Milwaukee; failing to do so in the time specified, the Commissioner of Neighborhood Services shall have the authority to seek, by resolution, revocation of said special privilege.

Subject: Common Council Resolution File Number 090895

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 090895, being an amendment to a special privilege for change of ownership of a concrete platform with steps that was previously granted permission and for addition of two concrete steps encroaching into the public right-of-way for the premises at 1006 East Brady Street.

Common Council Resolution File Number 090895 changes the owner to Demano Inc for a concrete platform with steps projecting into the east sidewalk area of North Astor Street. Permission for the concrete platform with steps was granted in 1967 under Common Council Resolution File Number 67-1711. A site visit revealed the presence of two separate concrete steps in the north sidewalk area of East Brady Street.

We are not aware that the presence of said items has had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will amend the ownership of the above special privilege and will formally allow said items to continue to occupy the public right-of-way.

Title

Resolution authorizing the Commissioner of Public Works to execute an agreement with the Wisconsin Department of Transportation for the programming and construction of the improvement of North Mayfair Road from West Burleigh Street to West Silver Spring Drive with Federal/State aid under the State Trunk Highway Program.

Analysis

This resolution authorizes and directs the Commissioner of Public Works to execute a project agreement with the Wisconsin Department of Transportation for programming and construction of the improvement of North Mayfair Road (STH 100) from West Burleigh Street to West Silver Spring Drive under the State Trunk Highway Program. Approval of the agreement with the WISDOT will enable the project to be undertaken using 100 percent Federal/State aid for preliminary engineering costs and approximately 98 percent Federal/State aid for construction costs. The estimated total cost of the project is \$6,872,000 of which the City of Milwaukee's construction share is estimated to be \$110,500 and the grantor share is \$6,419,500. Approval for construction costs will be in a future resolution. City of Milwaukee costs for plan review, which will be funded 100 percent by the City of Milwaukee, are estimated to be \$30,000.

Body

Whereas, North Mayfair Road (STH 100) from West Burleigh Street to West Silver Spring Drive is scheduled for improvement in 2012 as part of the Wisconsin Department of Transportation's (WISDOT) State Trunk Highway Program; and

Whereas, The WISDOT will undertake the necessary preliminary engineering and plan preparation for the improvement; and

Whereas, The WISDOT has submitted an agreement to the City of Milwaukee for the programming and construction of the project with Federal/State aid under the State Trunk Highway Program; and

Whereas, Approval of the agreement by the WISDOT will enable the project to be undertaken with 100 percent Federal/State aid for preliminary engineering costs and approximately 98 percent Federal/State aid for construction costs, the City's share of the construction cost being based on a ratio of on-street parking permitted, coupled with items such as water and sanitary sewer adjustments being non-participating and funded 100 percent by the City of Milwaukee; now, therefore, be it

Whereas, The City of Milwaukee may need to install traffic control and/or street lighting facilities in conjunction with this project, the cost of which will be included in future resolutions; and

Whereas, The state cannot proceed with any project cost overruns and/or changes in scope of more than five percent without prior DPW approval; and

Whereas, The DPW shall notify the Common Council of the City of Milwaukee at the next scheduled meeting of any such project cost overruns and/or changes in scope approved by DPW; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be 100 percent liable for any such project cost overruns and/or changes in scope as approved by the DPW; and

Whereas, The Common Council of the City of Milwaukee recognizes that the City may be liable for any cost incurred by the State should the City decide to withdraw from the project; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Commissioner of Public Works (CPW) is hereby

authorized to execute the agreement for programming and construction of the improvement of North Mayfair Road (STH 100) from West Burleigh Street to West Silver Spring Drive with Federal/State aid under the State Trunk Highway Improvement Program, a copy of which is attached to Common Council File No. 091564 and is incorporated in this resolution by reference as though set forth in full; and, be it

Further Resolved, That the CPW is hereby authorized to enter into an agreement with the WISDOT pertaining to the cost participation for the installation and/or modification of traffic control facilities and/or street lighting facilities in conjunction with the improvements of the aforementioned projects; and, be it

Further Resolved, That the CPW is hereby authorized to install the traffic control and/or street lighting facilities necessary in conjunction with the aforementioned projects, following the execution of the traffic control and/or street lighting agreements, the cost of which will be included in future resolutions; and, be it

Further Resolved, By the Common Council of the City of Milwaukee that the Comptroller is hereby authorized to create within the Capital Improvement Fund, Grant and Aid Projects the necessary Project/Grant Chartfield Values for the plan review (State ID 2030-09-70) and transfer to this account the amount required under the grant agreement and City Accounting Policy but not to exceed a 10 percent increase of the total amounts reserved for grantor's share and local share of \$5,000, whichever is greater as follows:

To the Honorable, the Common Council

Subject: North Mayfair Road (STH 100)
West Burleigh Street to West Silver Spring Drive

Dear Council Members:

The Wisconsin Department of Transportation (WISDOT) has programmed the subject project for construction in 2012 as part of the State Trunk Highway Program.

North Mayfair Road (STH 100) between West Hampton Avenue and West Silver Spring Drive lies within the City of Milwaukee. Consequently, we have received a project agreement from the WISDOT to be executed by the City for its programming and construction. Preliminary engineering costs for this project will have 100 percent Federal/State participation and construction costs will have approximately 98 percent Federal/State cost participation. There will be an estimated amount of \$85,500 in participating construction items as shown in the attached project agreement.

City of Milwaukee costs for plan review, estimated at \$30,000, and non-participating construction costs such as water and sanitary sewer adjustments, estimated at \$25,000, will be funded 100 percent by the City of Milwaukee.

Attached is a resolution which authorizes the Commissioner of Public Works to execute the project agreement with the WISDOT for the programming and construction of the subject project with Federal/State aid. This resolution also authorizes the City Comptroller to transfer funds to the project sub account for the plan review cost to be conducted by the City of Milwaukee.

 - (e) Storm sewer mains necessary for the surface water drainage.
 - (f) Construction of new sidewalks and driveways, replacement of sidewalks and private driveways resulting from roadway construction.
 - (g) New installations or alteration resulting from roadway construction of standard State street lighting and traffic signals or devices.
 - (h) Real Estate for the improvement.
 - (i) Preliminary engineering and state review services.
4. Work necessary to complete the improvement to be financed entirely by the Municipality or other utility or facility owner includes the following items:
 - (a) New installations of or alteration of sanitary sewers and connections, water, gas, electric, telephone, telegraph, fire or police alarm facilities, parking meters, and similar utilities.
 - (b) Bridge width in excess of standards.
5. As the work progresses, the Municipality will be billed for work completed which is not chargeable to Federal/State funds. Upon completion of the project, a final audit will be made to determine the final division of costs.
6. If the Municipality should withdraw the project, it shall reimburse the State for any costs incurred by the State in behalf of the project.
7. The work will be administered by the State and may include items not eligible for Federal/State participation.
8. The Municipality shall at its own cost and expense:

- (a) Maintain all portions of the project that lie within its jurisdiction for such maintenance through statutory requirements, in a manner satisfactory to the State and shall make ample provision for such maintenance each year.
- (b) Maintenance of sidewalks and landscaping features along the project.
- (c) Maintenance of lighting systems, to include energy.
- (d) Maintenance of all features outside the travel lanes when additional pavement width is added at the request of the Municipality, with the exception of turn lanes.

9. Basis for local participation:

Design costs – funded 100% State

Construction of standard roadway items – funded 100% State

Parking lanes – funded 100% Municipal and are calculated as a percentage of parking area compared to the total area of pavement. Parking percentage applies only to pavement items.

New sidewalk – funded 80% State and 20% Municipality

TITLE

Resolution authorizing the issuance of a street occupancy permit to KPH Construction as construction manager for the Federal Court House roofing project at 613 North Jackson Street allowing occupancy for 32 feet of the entire roadway of North Jackson Street from East Michigan Street to a point 120 feet north.

ANALYSIS

This resolution authorizes City officials to issue an occupancy permit to KPH Construction allowing them to close 32 feet of North Jackson Street from East Michigan Street to a point 120 feet north.

BODY

Whereas, KPH Construction is acting agent as the construction manager for the roof replacement project of the Federal Court House project; and

Whereas, KPH Construction has requested permission to occupy 32 feet of the roadway (all southbound lanes); and

Whereas, A large crane is required to perform the demolition and installation of the new roof system, the dimensions of the crane are 60 feet long and 30 feet wide (including the outriggers), and the length of the boom of the crane is 165 feet; and

Whereas, The most ideal location to situate the crane is on North Jackson Street due to the proximity to the roof that is being replaced; and

Whereas, The street closure is expected to take place in June and to last about three (3) months; and

Whereas, North Jackson Street is a one-way southbound traffic and that one travel lane shall be maintained in the "parking" lane of the roadway at all times; and

Whereas, An additional lane will be made available for during the PM rush hour; and

Whereas, KPH Construction shall be responsible for all required traffic control in accordance with City requirements and permits; and

Whereas, KPH Construction will notify, in writing, all owners of affected and adjacent properties of the intended work and schedule; and

Whereas, The Commissioner of Public Works may approve temporary occupancy of up to one third of the public rights-of-way while temporarily use beyond that point must be approved by the Common Council; now, therefore be it

Resolved, By the Common Council of the City of Milwaukee that the appropriate City officials are hereby authorized to issue a permit to KPH Construction allowing occupancy of the section of North Jackson Street described herein for a period of three (3) months from the date the permit is issued.

Title

Resolution relative to the application, acceptance, and funding of a Hawthorn Glen grant, from the State of Wisconsin, Department of Natural Resources, and authorizing a sub-grant to Milwaukee Public Schools, Department of Recreation and Community Services for improvements at Hawthorn Glen Outdoor Education and Nature Center.

Analysis

This resolution authorizes the Department of Public Works/Facilities Development and Management to apply for, accept and fund a grant from the State of Wisconsin, Department of Natural Resources, in the amount of \$140,000. The purpose of this grant is to make improvements to the existing Hawthorn Glen Outdoor Education and Nature Center.

Body

Whereas, It would appear that the City of Milwaukee is eligible to apply for grant funds from the State of Wisconsin, Department of Natural Resources; and

Whereas, It would appear that City involvement in this grant would result in the following benefits to the City:

- Renovation of the existing trails to stabilize deterioration, preserve history and increase accessibility.
- Securing of financial assistance to preserve a valuable outdoor educational center; and

Whereas, The operation of this grant from October 1, 2010, to September 30, 2011, and would cost \$280,000 of which \$140,000 (50%) would be provided by the grantor and sub-granted by the City of Milwaukee to Milwaukee Public Schools, Department of Recreation and Community Services and \$140,000 (50%) would be provided by the Milwaukee Public Schools, Department of Recreation and Community Services; and

Whereas, Milwaukee Public Schools, Department of Recreation and Community Services has budgeted and will make expenditures that are eligible and appropriate as the local match; and

Whereas, The City of Milwaukee, by sub-granting 100% of these grant funds to Milwaukee Public Schools, Department of Recreation and Community Services will be helping to improve the existing Hawthorn Glen Outdoor Education and Nature Center; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that application to the State of Wisconsin, Department of Natural resources is authorized and the Department of Public Works/Facilities Development and Management shall accept this grant without further approval unless the terms of the grant change as indicated in Section 304-81, Milwaukee Code of Ordinances; and, be it

Further Resolved, That the City Comptroller is authorized to:

1. Commit funds within the Capital Project/Grant Parent Account of the 2010 Special Revenue Grant, fund the following amounts for the project/program titled: Hawthorn Glen

Project/Grant Parent	Grantor Share
Project/Grant Chartfield	GR0001000000
Fund	0150
Organization	9990
Program	0001
Budget Year (BY)	0000
Subclass	R999
Account	000600
Project/Grant Total	\$140,000

2. Create the necessary -Grant and Project/Grant Levels; budget against these Project/Grant values the amount required under the grant agreement;

3. Establish the necessary City Share Project Values; and, be it

Further Resolved, That these funds are budgeted for the Department of Public Works/Facilities Development and Management which is authorized to:

1. Expend from the amount budgeted for specific purposes as indicated in the grant budget and incur costs consistent with the award date;
2. Transfer funds within the project budget as long as the amount expended for each specific purpose does not exceed the amount authorized by the budget by 10% and, be it

Further Resolved, That these funds are budgeted for the Department of Public Works/Facilities Development and Management which is authorized to:

1. Sub-grant the funds to the Milwaukee Public Schools, Department of Recreation and Community Services
2. Require timely cost and progress reports from the Milwaukee Public Schools, Department of Recreation and Community Services

Title

Resolution authorizing and directing the Department of Public Works to commence negotiations of a lease of City-owned property known as Catalano Square.

Analysis

This resolution authorizes and directs the Department of Public Works to commence negotiations of a lease of City-owned property known as Catalano Square with the Business Improvement District #2 or with the Historic Third Ward Association, whichever entity is more appropriate. It further directs the Department of Public Works to present the terms and conditions of the lease negotiated for Common Council approval.

Body

Whereas, Either the Business Improvement District #2 or the Historic Third Ward Association desires to lease the triangular, City-owned property bounded by North Young Street and East Menomonee Street known as Catalano Square; and

Whereas, Both the Business Improvement District #2 and the Historic Third Ward Association have been partners with the City since 1976 striving to foster, promote and encourage business retention and expansion, and to nurture and sustain civic vitality in the Third Ward; and

Whereas, The City is confident either the Business Improvement District #2 or the Historic Third Ward Association will maintain and operate Catalano Square in a professional, civically responsible manner that stewardship of this neighborhood resource demands; now, therefore, be it

Resolved, By the Common Council of the City of Milwaukee, that the Department of Public Works is directed and authorized to commence negotiations of a lease of City-owned property known as Catalano Square with either the Business Improvement District #2 or the Historic Third Ward Association, whichever entity is more appropriate; and, be it

Further Resolved, The Department of Public Works shall present the terms and conditions of the lease negotiated for Common Council approval.
