This report is written by Police Officer Monreal, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. On 12/03/20 at 7:58pm, Milwaukee Police conducted a license premise check at 2579 N. Teutonia Avenue. The reason for the check was because officers knew the establishment did not have a license and on 12/02/20 they observed a number of vehicles parked out front and the lights and televisions were on. Police were not able to perform a premise check on that date because they were flagged down for an assignment. When officers entered the establishment, they observed six people inside, multiple televisions on throughout the tavern, music playing, and a multi-colored strobe light functioning. Officers interviewed the owner who stated that he was open for business and when he was told that he did not have a license yet, he became uncooperative and defensive. The owner said that he was emailed the license and called the alderman requesting that he email them again. When advised that he needed a paper copy of the license, the owner became defensive and asked why he was being told he needed a license and what requirements he needed to be met. Officers told him he would have to contact the city licensing division to find out what requirements had to be met and the owner said that he will have a license next time they meet.
2. On 02/19/21 at 9:47pm, Milwaukee Police conducted a license premise check at 2579 N. Teutonia Avenue. Officers observed numerous vehicles, some illegally parked, and two lines outside the front door. Due to the large crowd, officers asked security outside, on two different occasions, if they could speak to the owner, but the owner did not come outside to speak with officers. Officers monitored the crowd and at tavern close, they roughly counted 519 people exiting the establishment using a hand-held counter (tavern capacity is 160). Due to a

shooting in the area, officers were unable to make contact with the owner. The applicant was cited.

**Charge:** Licensed Establishment – Exceeding Occupancy  
**Finding:** Guilty  
**Sentence:** Fine  
**Date:** 02/13/23  
**Case:** 22000412

3. On 03/06/21 at 11:49pm, Milwaukee Police, along with the health department, conducted a license premise check at 2579 N. Teutonia Avenue. During the interaction, officers conducted a walkthrough and observed patrons not social distancing and not wearing masks. They interviewed security and ask how many patrons were inside and security told officers that they had counted 500 patrons (capacity of 160). After leaving the location, health department officials told officers that they would be issuing citations for standing, masks, social distancing, and over capacity totaling around \$12,000 (no citations could be found in the system).
4. On 03/15/21 at noon, a meeting was held at the Third District Police Station with the applicant of 2579 N. Teutonia Avenue. The meet was held because of the capacity issues and the owner of the business was not cooperating with police. The applicant said the manager of the establishment is named "Rob" (he does not know his real name and pays him through pay applications) and that the owner only owns the building, not the business inside, and should only be contacted when there is a maintenance issue. The applicant was unsure of the security companies name but said that he has at least one security guard there at all times. When asked about the overcapacity, he said he was unaware of the issue but would make changes and would be at the location more often. The applicant was told he would be cited for the overcapacity on 02/20/21 ( no citations could be found in the system).
5. On 03/18/21 at 9:48pm, Milwaukee Police conducted a license premise check at 2579 N. Teutonia Avenue. Upon arrival officers made contact with the front door employee who advised them who the manager was and they asked both of them the identity of manager "Rob". They told officers that the dayshift manager was named "Ron" and that he works sometime in the morning. The manager was asked if he knew the capacity of the tavern and he told officers that it was 260. When told that it was 160, the manager became defensive stating that it was "updated" today.
6. On 03/19/21 at 1:09pm, Milwaukee Police conducted follow-up regarding the manager named "Rob". The business appeared to be closed but a maintenance worker answered the door and said that the only manager he knows is "Doug".
7. On 03/20/21 at 12:52am, officers observed a large number of vehicles, several illegally, parked on the street surrounding 2579 N. Teutonia Avenue. There were also 20-25 vehicles circling the area, blocking traffic, trying to find a place to park and 20 people standing outside the front entrance waiting to enter the tavern. While parking enforcement was handling the illegally parked vehicles, one officer, with the squad and body camera activated, started counting the patrons leaving the establishment and afterwards went inside to finish the count. While inside, the manager of the tavern refused to allow them to walk to the rear of the tavern to count the patrons still inside. The police left the tavern and ended up with a final count of 169 patrons (capacity 160).
8. On 03/21/21 at 1:53am, Milwaukee Police were dispatched to Mt. Sinai for a shooting victim. Investigation revealed that the victim was waiting in line to enter the tavern, located at 2579 N.

Teutonia Avenue, when she got into a verbal argument with another subject. After finding out that the tavern was not letting anyone else inside, she walked back to her vehicle where she again was confronted by the suspect who shot her twice. Another squad was on scene and said the manager was cooperative with officers.

9. On 03/27/21 at 11:43pm, officers observed a large presence of vehicles parked, some illegally, outside the address of 2579 N. Teutonia Avenue. Parking enforcement was advised, security for the tavern was notified, and several patrons moved their vehicles. Several parking citations were issued.
10. On 04/25/21 at 12:30am, Officers observed approximately 200 vehicles parked surrounding 2579 N. Teutonia Avenue which is the only establishment open in the area. Officers also observed 10-15 people standing outside the tavern waiting to get in. Officers tried to enter the establishment but the front entrance was locked and security outside did not know why the door was locked. Someone eventually unlocked the door and when officers entered, there was a "smoky haze" inside which was later determined to be smoke emanating from cigarettes/cigars. While inside the tavern officers observed numerous 20oz empty bottles of Hennessy laying around, baggies of marijuana, cigarette butts, loose tobacco, and cigar wrappers on tables. The basement was checked and the breaker box for the building had wires exposed which could be a fire hazard and the only other exterior door to the tavern was locked and the courtyard it exited to, had a fence which was chained and padlocked. The applicant was contacted and told his establishment was 105 people over capacity.

Charge 1: Licensed Establishment-Exceeding Occupancy Limit  
2: Licensed Premise-Open Entry Required  
3: Smoking Prohibited  
Finding: **Guilty on all 3**  
Sentence: **\$10,565**

Officers interviewed security who said that an altercation did happen inside the establishment and the female said the male had a firearm. Both subjects were escorted out, the male subject was searched, and no firearm was recovered. Security was cooperative.
12. On 05/13/21 at 4:20pm, Milwaukee Police, along with a Wisconsin Department of Revenue Agent and a DNS inspector, conducted a license premise check at 2579 N. Teutonia Avenue. Due to the tavern having two funeral events, the check was rescheduled but nine containers of shisha tobacco were confiscated because the tavern does not have a tobacco license.
13. On 05/14/21 at 2:00pm, a meeting was held at the Third District Police Station with the applicant of 2579 N. Teutonia Avenue. When asked what changes the applicant has made since last meeting, he replied that he has hired a new manager, has equipped security with a counter for capacity issues, and informed the building owner that he is not to be a part of day to day operations. The applicant was issued citations from item #10.
