5. DESCRIPTION OF PROJECT:

Tell us what you want to do. Describe all proposed work including materials, design, and dimensions. Additional pages may be attached.

The concrete side driveway on the south side of the house is built in three sections. The center section is damaged. Our contractor will replace the center section (approximately 9' wide x 35' long) using concrete. An existing planted strip in the center of that section will be eliminated; the entire width of the center section of driveway will become concrete, matching the other two sections.

See attached photos.

6. SIGNATURE OF APPLICANT:
