There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. Dear Licensing Board,

This email is to express my concerns regarding the application at **1686 N VAN BUREN ST** for **APPLICATION Food Dealer - Restaurant** license which was applied for on **04/16/2024** for **DONNIE'S BAR, DRIES ENTERPRISES, LLC**. This application appears to be a part of two other license applications for the same property (a Business Transfer Application and Business License Plan of Operation) which were submitted on 4/10/24 and all three licenses should be considered as a whole when issuing any of the licenses. As a resident of the neighborhood I have serious concerns:

1) **Noise** - These comments pertain to the Business License Plan of Operation submitted 4/10/24 and should be considered along with this Food Dealer Application (as already stated). This location is centrally located in the primarily residential neighborhood bounded by Van Buren, Cass, Brady and Pleasant streets, an area containing a **senior living facility, church and importantly a K-8 public school**. The applicant proposes hours of operation extending from 6 am to 2:30 am encompassing both school hours and "night" hours (9pm to 7am) as defined in the Milwaukee Code of Ordinances 80-64

within the category of Nuisances. The applicant very recently had two, similar businesses on North Oakland Avenue closed due to noise complaints. Additionally, in the Plan of Operation Section 3e. the applicant concedes that the establishment will in fact use sound amplification equipment without revealing the nature, strength or extent of such equipment. No sound insulation or noise mitigation protocols are promised or even discussed. Given the applicant's previous behavior with regard to noise in a similar residential setting, these omissions are extremely concerning.

2) **Exterior Refuse Containers** - In Section 4b. of the Business License Plan of Operation submitted on 4/10/24 for this same location, applicant responds that 1 container will be used without specifying the nature, size or proposed location of said container. Refuse containers from other commercial establishments on Van Buren currently are located in the alleyway between Cass and Van Buren. Existing containers already represent a material hindrance to residential access to parking and garage space from the alleyway. Some of these containers attract rodents via their food waste and poor condition and closure systems. There have been instances of cooking oil and other large leaks (which have been corrected, thanks to our Alderman). In this case the applicant offers no plan on how the location and use of his refuse container will not worsen these conditions. Beyond residences, the alleyway borders the church, senior living facility and importantly the school, so concerns around waste handling are especially important considering the vulnerability of the senior and school age populations.

3) **Parking**. - Section 5a. of the Business License Plan of Operation, applicant does not provide any plan for parking for patrons of the establishment. Street parking in the neighborhood is strained and the addition of the new patron parking load will further displace residents. Night (after 9pm) arrivals and departures of non residents are already a serious noise issue and contribute to the unacceptable levels of vehicle property damage (glass) in the area. A plan for mitigation of this new establishment's impact on these parking issues should be a precondition for approval of the application.

Thank you for your consideration of my concerns and I trust my name will kept confidential and not be used in any communications to the applicant. Should a license be granted, please advise what process will be in place to ensure the applicant adheres to any commitments made to address these concerns or other general commitments made in support of the application. Finally, and as you suggested in your email, I have copied my Alderman so that he is aware of my concerns.

Sincerely,

The hearing before the Licenses Committee will take place on 7/9/2024 at 10:50 AM in Room 301-B, Third Floor, City Hall. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony via internet are asked to contact the staff assistant, Yadira Melendez at (414) 286-2775 or stasst5@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.

 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.
