There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 4/6/2016 at 2:00 PM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

- d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
- 7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
- 8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. Notice of Public Hearing

MILLER, Andrew H, Agent
Third Coast Provisions at 724 N Milwaukee St
Class B Tavern and Food Dealer License Applications

Wednesday, April 06, 2016 at 2:00 PM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 4/6/2016 at 2:00 PM, in Room 301-B, Third Floor, City Hall. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing. Please review the information below and if you have further questions regarding this process, please contact the License Division at (414) 286-2238.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

- 1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
- 2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
- 3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
- Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
- 5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)

- 6. You may then provide testimony.
- a. Include only information relating to the above license application.
- b. Include only information you have personally witnessed or seen.
- c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
- d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
- 7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
- 8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

BUSINESS PLAN

You have requested details for my future business plan for the above location, but I believe in order to understand my future plan it is important for you to know more about my history and how I got into business. With over 50 years of experience in the hospitality, lounge, catering and entertainment business it is truly to only work I am qualified to continue doing.

In the 1960's I started working for Seiditia's a very popular pizza place on Oakland Ave in Shorewood. The owners were very kind and I learned the every part of the business from front of house, customer service, and everything back of house. That gave me the education and courage to move on to open my own business.

In 1975 I partnered with a friend to open a tavern named the Racer's Inn located on 55th and Lisbon Ave. We were very successful; however it was a much smaller location without the kitchen space that I was looking for to add the catering business I desired. The business is still open to this day operating as Wally's pub after my former partner.

In 1980 I went solo and moved into a larger space called the Country Outlook located on 5th and Chase Ave. This allowed a larger enough kitchen and hall to do caterings for 300+. I was also able to cater events outside of the facility and offer entertainment and private events.

In 1990 I moved into The Downtown Pub located on Milwaukee Ave in South Milwaukee. This was a smaller casual yet upper scale lounge. I also hosted private events, catering both in house and for hire events. The bar area featured live entertainment and cocktail hours.

Then again in 1993/94 I was looking to expand and purchased Pat's Oak Manor located in South Milwaukee. This location offered two halls I rent for private and entertainment events. I also continued the catering for in house and for hire events. Do to popular request we adjusted our business and opened a hall up to the public for Friday night fish fries along with the request to serve food at the bar during the week. Due to demand I even converted an area into a wedding chapel that continues to offer a more full service experience for our customers.

My Business Plan for the location at 628 N. Water St.

I appreciate you taking the time to learn about my past so that you will understand my vision for this future location. It has a beautiful kitchen that I would like to continue catering form to include in house and outside for hire events. This is a great location for possibility serving food during lunch hours or a light menu as an after work cocktail lounge. I would like to host and cater private events. As in the past I may like to offer some entertainment including things like Sunday or Holiday brunches. I have always run with a reputable business model that that would remain the same in this location. This down town area is full of business professionals that I believe are looking for a clean, safe and enjoyable social lounge to unwind after work or on weekends. My top priority would always be the safety and comfort of my customers. Due to the surrounding area businesses I have been asked to provide a more detailed on how I would effectively do that, please see attached details.

PATSY S. JAMES 414-614-7349

BUSINESS PLAN

Catering: The kitchen would be kept clean and up to all current codes and standards. Proper food prep and serving requirements would be followed according to the Wisconsin Department of Health Services. This location may provide but not limited to lunches, dinner events, social menu's, catered events, off site for hire and charity events.

Dress Code: We would enforce a business casual dress code. This would exclude customers from wearing attire that wasn't properly fitted. Pants would be required to worn at waist level with no under garments showing. Hat's including but not limited to the category of "Trucker" or "large billed" hats worn to the side will not be allowed. Because of the location to the Arena Athletic gear will be permitted on a case by case basis. Local Sports team locals could be allowed if garments are clean and form fitting. Hoodies will not be allowed as proper attire.

Security: Beginning at the front door customers will be greeted by a professionally dressed door man. We will implement ID scanners that can track and record the previous 5000 attendees. A security camera system will be implemented to cover both indoor and outdoor areas. We will supply custodians in each restroom for customers comfort. We will also provide professionally dressed crowd observers to guardian over all activity and guests as needed. I believe that the chosen name of District IV will also help to attract the professional crowd we desire.

Social Lounge/Event: I am interested in providing a relaxing environment for our guest to unwind and enjoy a peaceful entertaining social atmosphere. My current idea would be to open by 11:00am for a possible lunch crowd and also offer a cocktail hour around 4-9pm. My closing time may vary based on booked events but would be planned for 10pm during the week. Friday and Saturday scheduled events may require a later closing time based on the event that is booked. I would like to be closed on Sundays provided there are no scheduled events, caterings, charities, holiday specials or brunch that would better serves the business.

I appreciate your time to review my application. As stated previously, with over 50+years in this industry this is what I know, this is what I am qualified to do. Please allow me this right to work in the only field I have ever been comfortable in and known.

Thank you for your time,

Pat James

- 4. On 07/12/2014 Milwaukee police, while on patrol in the 600 block of North Water Street as part of Code Red, were speaking to bouncers outside Ultra Lounge (628 North Water Street) when a fight broke out inside the business. Bouncers were able to control the situation and held their positions until additional squads responded to assist with crown control.
- 5. On 09/27/2014 Milwaukee police were approached by security from Ultra Lounge and 618 Live, stating there was fight on the sidewalk at approximately 630 North Water Street. While responding, one of the officers fell and injured his right hand.
- 6. On 09/29/2014 a Milwaukee police officer was flagged down by a citizen who stated there was a large fight in the 600 block of North Water Street. Officers responded and discovered a group of 40-50 people in the street and on the sidewalk in front of Ultra Lounge (628 North Water Street), some of which were fighting. This group eventually dispersed and no citations or arrests were made.
- 7. On 10/04/2014 at 1:46am a Milwaukee police officer went over the air with a "huge fight" in front of 618 Live. Subsequently, the Milwaukee police mounted patrol and 15 additional police squads responded and discovered numerous separate fights in the area involving 20-40 people each. While investigating these fights, officers were told by staff from the bar that there were still approximately 150 people inside the tavern. The officer who originally called for assistance regarding the "huge fight" indicates that he had been assigned to monitor the release of The Ultra Lounge and 618 Live. This officer observed a subject screaming, pounding and pulling on the front door of 618 Live after being ejected from the business. The applicant told police that this subject had been ejected for fighting inside the business and that the other combatant had been kicked out of the back door of the tavern. The two combatants located each other again after being ejected from the club and again began fighting. This incident led to other fights and other patrons gathering to view the commotion. Security staff from 618 Live was observed assisting officer's break up the fights. 618 Live staff also provided police with video footage of the incident. Five subjects were cited as a result of the fights, officers were unable to detain additional subjects because of the number of fights occurring in close proximity to each other. At one point an officer used Oleoresin Capsicum "pepper spray" to stop the actions of one of the combatants. One of the suspects citied admitted to coming from the Ultra Lounge.

- 8. On 10/08/2014 the applicant and representatives of The Ultra Lounge met with representatives of the Milwaukee police department and the Milwaukee city attorney's office to discuss areas of concern including fights that occur on a regular basis at the end of the night. Several suggestions were made to help alleviate these issues. Some of the suggestions recommended for implementation by The Ultra Lounge, such as using an ID scanner, are already in place at 618 Live. Some suggestions, such as a patron being banned from one business also being banned from the other, are applicable to both businesses. Suggestions that would apply only to 618 Live were to change their minimum age to 23 and decrease capacity from the current 480 to 350. On 10/09/2014 it was agreed that capacity would be lowered to 400 and the minimum age would be changed to 23. The applicant was advised to contact the license division to update paperwork in order to reflect these changes.
- 9. On 10/20/2014 a Milwaukee police officer was dispatched to the front desk at Milwaukee police district #1 regarding a battery complaint. The victim told officers she had been attacked around 1:30am while inside Ultra Lounge (628 North Water Street) by another patron known to her as Brande Conner. The victim stated she was struck several times in the head with a bottle while inside the business. The victim was treated and released at Froedtert Hospital for a concussion. Milwaukee police incident report #142930140 filed.
- 10. On 10/31/2014 Officers were flagged down at 610 N. Water St by a City of Milwaukee Parking Checker. The checker stated she was writing citations when she was confronted by a group of females who wanted to know why they were getting tickets. The group was understanding except one person, identified as Brittany HORTMAN, who pushed the checker. The Police were flagged down at this point and HORTMAN was issued a Disorderly Conduct citation. HORTMAN stated she was at the Ultra Lounge having drinks right before the confrontation.
- 11.On 11/08/2014 Milwaukee police were flagged down regarding the possibility of an underage patron being inside Ultra Lounge. Officers discovered an 18 year old female inside the business that had used another person's identification to gain entry to the bar. The female was cited for Presence of Underage in Place of Sale and Misrepresentation of Age. The applicant was cited for Allow Underage on Premise and Liquor License Required (later amended to Refilling of Liquor Bottle).

As to the applicant:

12.On 11/15/2014 at 12:22am an Officer received a call about a large fight at 628 N. Water St (Ultra Lounge). When officers arrived they saw patrons leaving in all directions and the front glass door shattered. They were given a description of the actors and that one may be armed with a gun. The investigation revealed a fight occurred inside and continued outside. Two bouncers were injured during the altercation. If you wish, you may provide testimony at the hearing regarding the request; see below for further information. You are not required to attend the hearing. On Monday, January 4, 2016 at 1:00pm in the District #3 conference room a meeting was held with Euraldo M TASE, the licensee for the Harp and Shamrock (2106 W. Wells St.) regarding 46 citations being issued to person's under the age of 21 that were in the premise on November 5, 2015 at approximately 12:10am.

Discussions were held as to actions taken by TASE to prevent future occurrences of this violation. TASE indicated that the doorman/bouncer that was responsible for checking identification of entering patrons that night of the violation has been terminated. The Bar manager on scene has been demoted to the position of bartender. TASE has taken over as the only manager for the premise. Hand stamps are now placed on patrons following the checking of identification. Patrons that do not provide identification will not be allowed in the premise. TASE stated he does have booklets on hand at the premise to help in the identification of false ID's. TASE also informed that his employees are aware they could lose their employment if persons with false identification are found in the premise.

Suggestions made to TASE to help in the prevention of this occurring again. TASE currently does not have an operating camera system or identification card reader at the premise. TASE was advised about obtaining a camera system with a recording device and also informed to reach out to his beer distributors and Miller/Coors, who could possibly assist TASE in obtaining a identification reader that is capable of scanning bar codes to check for fake identification as well as recorded the image and information on presented identification. TASE was also advised to reach out to the Marquette Police Department, to assist with walk troughs of his premise to discourage underage persons from attempting to patronize his premise. TASE indicated he would attempt to implement the recommendations.

Thank you for the information. We will enter this information in the file so there will be a hearing at license renewal time.

Thank you for your follow up and information.

but from the sounds of the scene, there may have been calls for overall crowd problems. There was also no medical recue called which was more the issue here. I'm told there was a paramedic on scene but medics said they could not attend the call was not made for

The main problem is related to crowd control and security based on the "standing room only" style concerts at The Rave. Security did not stop or control the crowd and there was excessive pushing and fights. Crowds are not sectioned off to eliminate the pushing.

From what I have learned,

the crowd was out of control and pushing from every direction.

was separated from due to the unruly crowd. was
trapped and could not escape no matter where turned and could not
breathe and began to panic/scream/pass out. crowd
signaled security about condition. Security signaled to pick

was lifted by the crowd and body-passed overhead to a

security guard. He set down and collapsed. Then was assisted to first aid office. apparently had a panic attack because could not escape the crowd. does not suffer from these attacks so it must have been an extremely traumatic situation.

This all happened during the opening act. As a paying customer, never even got to see the show she paid for. At the very least, I think concert goers would assume safety and crowd control would be provided for, but the venue only responded to the problems, as opposed to trying to prevent or stop them. I'm told the security was not making efforts to stop the pushing. The first aid attendant said she sees this every day!! Meaning panic attacks from concert goers. These **panic attacks were normalized** by the first aid person, like it was just something to be expected. Yet being in a situation that prompts panic attacks is not at all normal!! And you shouldn't pay to attend a concert and then fear for your life to the point of a break down.

I have never seen in such a terrible condition and was looking for answers in terms of history on lack of crowd control at the Rave. I am attempting to follow up with the venue as well. I'm sure there were a lot of young kids who also had a bad experience that same night. It's my opinion that at the very least, the venue needs to consider better crowd control methods and assure some level of safety as opposed to just taking in money and then providing a perfect recipe for chaos.

Thank you again. If this matter rises to the level of filing a complaint, I'm happy to do so.

I am sorry to hear that there was an incident. In general we have not had problems at the RAVE. They generally do a good job. We can enter a complaint in their license file which would trigger a hearing when their license comes up for renewal. However, I would need additional detail regarding the incident. Were the police called? If so the police may have prepared an PA-33 form which is a form used to document incidents at licensed establishments.

Helio Alderman Bauman,

I am contacting you regarding The Rave concert hall on 24th and Wisconsin Avenue.

a concert the night of March 5th and had a terrible experience inside that venue. I don't think I even have a clear understanding of incident except for the fact that an unsafe crowd situation was the cause.

I plan to follow up with others (venue owner, security service at venue, request for security camera footage, Milwaukee Fire Department, etc) but I'm not sure how to begin this process.

Have you supported other citizens in regards to complaints on this venue? Are you aware of a security problem inside the venue?

Thank you,

This report is written by P.O. Michael FASULO, District #3, Late Power Shift.

On Thursday, October 29, 2015 at 12:28am, Squad 3465 (P.O. Frank YINKO and I), were flagged down regarding an injured subject at 2401 W. Wisconsin Ave.

Inside Milwaukee Fire Department Med Rig #14 was Todd M. FAULKNER (w/m, 06-14-90), who stated he was performing at the Eagles Ball Room (2401 W. Wisconsin Ave.) as part of the music act Wolfpac. FAULKNER stated that he performs as an entertainer as part of the stage show and he helps get the crowd more excited during the concert. FAULKNER stated his performance was between 8:50pm and 9:15pm. Part of what he does along with another performer is head butt each other. FAULKNER states he wears a hockey style mask along with several other the performers. FAULKNER and another performer gave each other 2 head butts, following the second head butt FAULKNER'S mask moved up and over the top of his head. FAULKNER stated the third head butt struck his unprotected forehead. FAULKNER stated after the head butt he felt dizzy and could feel his brain throbbing. FAULKNER stated the other performer did not realize his mask had come off, because they usually have their eyes closed when performing the head butts. FAULKNER then exited the stage and adjusted his mask then entered into the crowd. FAULKNER entered the crowd when an unknown patron of the concert grabbed him and gave 4 to 5 head butts unexpectedly. I asked FAULKNER if it was common for him to exchange head butts with fans at concerts and he stated that it was. FAULKNER stated usually when a fan wants to do the head butts it is done with consent and FAULKNER and the fan know the action is going to occur. This time though FAULKNER stated he did not know the head butts from the fan were coming and head butts shook him up much more then usual. Following these head butts FAULKNER left and laid down back stage. FAULKNER stated he felt himself going in and out of consciousness and was having difficulty thinking and keeping awake. Dyllon R. LEAFTY (w/m, 10-21-91), another performer called 911 do to FAULKNER'S condition seeing that he needed medical attention. I observed swelling and scraps to FAULKNER'S forehead.

FAULKNER was transported to Froedtert Hospital by Milwaukee Fire Department Med Unit #14. FAULKNER was admitted at 12:53am, and treated by Dr. Heidi LUDTKE. FAULKNER was diagnosed with a concussion. FAULKNER stated this is the 4th concussion he had suffered in his lifetime. When he was 18 years old FAULKNER suffered a concussion when while riding outside of a car window he fell and struck the back of his head on the concrete. FAULKNER stated he suffered a brain hemorrhage and was in a medically induced coma for 2 weeks.

FAULKNER re-iterated that everything that happened was an accident and there was no intent by anyone to cause him harm.

Squad 3351 (P.O. August FARKAS) took 4 digital photographs of the swelling to FAULKNER'S head.

FAULKNER was discharged from Froedtert Hospital.

Squads involved: 3465 (P.O. Frank YINKO and P.O. Michael FASULO)

PA-33E Narrative

This report was written by P.O. Dean DRAJKOWSKI assigned to the License Unit day shift. On Wednesday, November 25, 2015, while assigned to Squad 2741, I was assigned to the Wisconsin WINS Youth Tobacco Initiative, which checks area vendors for age compliance tobacco purchases. I was working with Cleveland EASLEY, B/M, 03-27-99, who is 16 years old and not of legal age to purchase tobacco. A photo of EASLEY was taken at the beginning of the assignment for identification.

At about 5:35 pm, EASLEY entered Post Food and Liquor store located at 3455 N. Martin L. King Jr. Dr. and purchased a pack of two Swisher Sweets cigars for \$0.99 cents. EASLEY provided a description of the cashier that sold him the tobacco. I entered the store and identified the cashier as Ahmad T. ALKHADER, A/M, 12-06-94. ALKHADER admitted to selling tobacco to EASLEY and apologized. ALKAHADER stated he thought EASLEY was 19 years old, but he did not check his id. ALKAHADER did not have a valid Class D Operator's License to serve liquor.

The licensee for Post Food and Liquor was Adel H. ZEID, A/M, 01-26-72. ZEID was provided the notice to enroll in the Municipal Citation Diversion Program called "MARTS". ZEID was also issued a citation for Responsible Person upon Licensed Premises.
