Mr. Smith,

After your renewal application was filed on April 23rd we received two objections to the renewal from neighbors relating to noise that trigger a hearing. We can schedule your application for a hearing on May 20 if you are willing to waive 7 day's notice of the hearing. Are you willing to waive 7 day's notice?

Please let me know ASAP.

Hello ,

My name is _____, and my wife and I reside in the apartments located at _____

Our issue is with a club called City Social which is located at 530 North Water Street. The base noise level that this club produces is a nuisance and rocks our apartment. We cannot tolerate it anymore. This is every night it is open.

We have called the police a couple of times and the club has not addressed the issue.

We have also contacted our alderman -Robert Bauman and he is aware of this complaint. He stated that he would place our complaint in the proper file.

Would appreciate your help in getting this resolved.

I gather you live upstairs. If so solutions will be elusive given your proximity and I assume a very old building of basically wood construction with little to no sound proofing between floors. Your quality of life is in direct conflict with a bar/tavern business where music is a typical and generally allowed activity. I suspect almost any level of music will be heard in your unit. I am not sure the conflict can be resolved.

Your landlord is not blameless here. He/she has leased a residential unit to you knowing he/she has already leased commercial space to a bar/tavern that plays music directly below you. Perhaps this situation violates a term of most standard leases that guarantee you the right to the quiet possession of your unit.

Maybe your letter will help. I would also put your landlord on notice that your tenancy is intolerable.

I will check on the renewal date.

Mr. Bauman,

We need to bring to your attention an issue that we need your help in resolving . It pertains to the high noise level coming from the City Social Club and the negative effect it has on our ability to not only get a good night sleep but to even enjoy our apartment.

We would like to discuss this with you to see what we can do to lower the noise level coming from this business.

We can be reached at:

We look forward to speaking with you.

The letter below is what we are going to send to the owner of the club. We intend to send this after we speak with you.

I hope you're doing well. I am writing to bring to your attention an ongoing issue that has been affecting the comfort of our apartment and our ability to live peacefully in the neighborhood.

During business hours, the bass-heavy music from the club is clearly heard inside our apartment, accompanied by a constant vibration that makes it difficult to relax or concentrate. The situation becomes even more disruptive as the weekend approaches, with the volume increasing and the music continuing late into the night, making it especially challenging to get rest. We understand that your venue is a social club but the noise and vibrations have become a significant disturbance and we believe that this issue may be in violation of certain Milwaukee noise ordinances.

We kindly ask that you take steps to lower the bass levels and reduce the noise outside the venue, especially as weekends approach, to comply with these ordinances and ensure a more peaceful environment for the surrounding residents. If possible to move speakers so they are not affecting apartments to the north .

Thank you for your attention to this matter. We hope we can work together toward a solution that benefits both the social club and the residents in the area.

Feel free to email us and see how we can resolve this issue .
