The esteemed Bishop Sedgwick Daniels, a remarkable individual who left an enduring legacy as a beacon of light in the realms of education, humanitarianism, and ecclesiastical leadership. Auscultating the unfolding of God's divine beneficence, Bishop Daniels' profound impact will forever be etched in the annals of history.

Bishop Daniels was called out from the common, into a life of extraordinary service and duty. Cut from the sacred cloth of Christ, God carefully bespoke Bishop Daniels as a leader, gracefully constructing him to be a man of dignity, sterling character and a shepherd for his people, touching the lives of thousands for over half a century.

From the captivating city of Milwaukee, Wisconsin, Bishop Daniels graced the world as the celebrated establishmentarian and senior pastor of the Holy Redeemer Institutional Church of God In Christ. He was revered as a true rotavator in the vineyards of the Kingdom, planting boldly and watering bountifully for the glorious harvest for the Lord. The penetratingly studious nature that he possessed inspired him to pursue the biblical principle of "seeking to understand". This search led him to the discoveries of understanding the true needs of people for whom he was called to inspire which resulted in architecting innovative bespoke approaches that led to sustainable change. His transformative influence extended far beyond the boundaries of a single congregation, reaching communities across Wisconsin, Eastern Minnesota, Western Michigan and Northern Illinois which yet expanded globally in countries beyond the United States.

We the Holy Redeemer Church family and community, thought it befitting to have a street named in honor of Bishop Sedgwick Daniels to keep his legacy alive and celebrated.

Thank you!
