PA-33E Narrative

This report is written by P.O. Guadalupe VELASQUEZ, assigned to District 2, Community Prosecution Unit (CPU).

On April 20, 2017, the District 2 CPU received an anonymous complaint from the Office of Alderman Jose Perez regarding The Point, located at 906 S. Barclay St. The complaint alleged there were naked women dancing at the location on April 15, 2017. Additionally, on May 6, 2017, while doing traffic control, Sergeant Christopher MARTIN was advised there were strippers inside the licensed establishment. Sergeant MARTIN also obtained videos from a confidential source that showed woman dancing and money being thrown at them.

The licensee, Claiborne GREEN, was contacted by phone and agreed to meet at the District 2 Police Station on May 12, 2017, at 12:00 p.m. In attendance were: Captain Heather WURTH, Sergeant Christopher MARTIN, Sergeant Chad RADEN, P.O. Kevin VODICKA, Assistant City Attorney (ACA) Heather HOUGH, Alderman Jose PEREZ, and I. During the meeting GREEN stated he did observe one woman's top slip during the event. Captain WURTH made an additional request or the video so it could be reviewed. (2 email requests had been made prior to the meeting) GREEN advised that the password was not working so the footage had not been recovered. GREEN eventually explained that there were things that he observed during the event that he knew were incorrect but that he did not stop them from happening because he "was scared shitless." GREEN explained that he thought if he turned off the music and turned on the lights things would get worse. Alderman PEREZ did advise GREEN that he believed he was attempting to operate as a night club instead of a special events venue which is what his plan of operation stated he would be operating. ACA HOUGH also explained that another concern that the city had was that there is a collusive agreement in place. She explained that there was a belief the the building owner, Robert SMITH and his mother, Patsy JAMES, who had been granted a Manager's License for The Point, were running the business. GREEN denied that they were operating the establishment, he did state that Patsy was the manager and that SMITH just maintains the building and any construction projects associated to the location.

It was suggested to GREEN to not use promoters for his events but that if he did to make sure he hired all the security for the events and to screen them. Additional suggestions included that he attend another PIVOT Training, that he provide an updated events' list to the district, and that he get his cameras working again.

GREEN agreed to replace/ fix the camera system. It should be noted that a copy of the 105-91 city ordinance was provided so he was aware what the city standards are. GREEN stated he would attempt to get the old system fixed within two weeks or install a new one. He stated he would attend an additional PIVOT Training, that he would return to his original plan of operation and only use the establishment for special events (weddings, corporate events, fundraisers, and talent shows), and provide a list of events for the district.

On Friday, March 17<sup>th</sup>, 2017, at approximately 11:05PM, I was dispatched to the area of S. Barclay St and E. National Av., located in the City and County of Milwaukee, regarding trouble with subjects complaint. Upon arrival, I was informed that The Point (906 S. Barclay St.) had an event for underage children involving a dance party. The event ended at 10:00PM. Following the end of the event, a large group of participants did not wait for their parents to pick them up and roamed the area. Many of the subjects were not 17 and were disobeying multiple ordinances. I observed kids running in and out of traffic causing traffic to be disrupted. Kids on scene were given multiple warnings to return to The Point to wait for their rides. Most subjects refused and yelled profanity at the police and participated in small fights with other children. Many of the subjects were very unruly and disobeyed lawful commands from Officers in full uniform. While on scene, four subjects were detained and cited regarding. The subjects are listed on the other page. It must be noted that this is an on going issue with The Point having this event with underage children.

PA-33E Narrative

This report was submitted by P.O. Eulia KAZACHENKO who is assigned to District 2, Late Power Shift.

On Friday, March 31, 2017, P.O. SPITZER and I were assigned to a squad 2464 at approximately 10:30PM we were patrolling the area of The Point Night Club at 906 S. Barclay St., which is in the City and County of Milwaukee. CAD # 170903216.

On scene were Squad 3113 and Squad 3163 on a special assignment. CAD # 170902866.

The Point was hosting an underage party with approximately 200 people. Approximately 10:45PM the event let out, majority of who did not had a ride home. Approximately 100-150 juveniles started to run in and out of traffic creating traffic hazard , some were throwing rocks at moving vehicles, some were starting to fight between each other. A large group ran to a nearby gas station that is located at 1009 S. 1st St. creating a disturbance inside, which caused the business to lock doors. The juveniles who had vehicles were cruising in the area hanging out the vehicles and creating more traffic congestions.

I requested additional Squads to the area. It took total of ten (10) squads of seventeen (17) officers and supervisors. MPD officers spent approximately 31 hours total to get the area under control.

At 11:13PM a call came in for Trouble with Juveniles (CAD # 170903415) in the area of S. 1st St. and W. National Ave. approximately 20 juveniles causing disturbance.

At 12:16AM a call came in for Curfew (CAD #: 170910044) in the area of 701 W. 1st St. Three (3) juveniles who attended The Point Club underage party requested a ride home from the police because they were stranded on the south side of Milwaukee. MPD Squad 2340 was sent; it took approximately an hour and a half of his shift to drive out of there assigned district to drop the juvenile's home.

When I spoke with the Point manager Patsy SMITH-JAMES (W/F, 8/30/42), who stated that they were unaware that they needed obtain a permit for this event.

During the investigation officers discovered that licensee, Claibome M. GREEN (W/M, 11/12/63), hired a promoter to host an underage event, which was done without a permit. GREEN was issued a citation for Allow Underage on Premises (6159801\_4). GREEN in the past held underage events on 2/17/17 and 3/17/17 without an event permit, citations were issued also. (6159802\_5, 6159803\_6).

In the result of this underage party Kenvronte F. JOHNSON (B/M, 12-01-2001) was placed in the custody and cited for Disorderly Conduct and Resisting/obstructing officers. Also, Shawntiana, HARVEY (B/F, 01/05/2001) was issued citations for traffic violation after was stopped for cruising in the area while her passengers were hanging out of windows.

PA-33E Narrative

This report is written by P.O. Kevin VODICKA assigned to District Two, Early Shift Community Prosecution Unit. On Monday, April 10, 2017, at 1:00 PM, Captain Heather WURTH, SGT. Marissa GUTMANN-GNADNT, SGT Chad RADEN, P.O. Guadalupe VELASQUEZ, Alderman Jose PEREZ, A.C.A. Heather HOUGH, and I met with the licensee of The Point, Claiborne GREEN, and the Market Manager/Promoter for Fresh Empire, Travis CHAMBERS, regarding the recent underage events that have occurred at the premises. After an introduction copies of MCO 90-19 to MCO 90-19.5 were distributed and explained. The ordinances outline the procedure for proper notification of events where underage persons will be present at a licensed premises during hours when alcohol is normally sold and outline penalties for the presence of underage persons present at a licensed premises. A brief summary of the underage events and the police response were presented and parties voiced concerned over future underage events, the lack of proper notification, and the possible effects to the license.

CHAMBERS stated that Fresh Productions serves and engages at-risk youths by hosting a mix of events that include but are not limited to; birthday parties, social events, and music performances that are all aimed at increasing tobacco awareness. CHAMBERS has hosted at least twelve (12) events in the City of Milwaukee since Memorial Day 2016, with the last three events occurring at The Point and two future events scheduled to occur at the location. CHAMBER stated that attendance at the events started at around eighty (80) persons and is four hundred (400) to four hundred and fifty (450). CHAMBERS stated that a nationwide attendance cap has now been set at five hundred (500) to five hundred and fifty (550) for the events. CHAMBERS stated that the current hours of the events are from 7:00 PM – 11:00 PM but would shift to 4:00 PM – 8:00 PM beginning in May. CHAMBERS stated that of the roughly 30 staff at an event there are unarmed security that “wand” attendees and will begin to conduct “pat downs” and track attendance with a hand counter in order not to exceed the maximum occupancy of 385 persons. CHAMBERS stated that as of the next event attendees will be required to show a form of identification to enter. CHAMBERS also stated that he had requested an increase in paid off-duty police presence from four (4) officers to eight (8) officers and that he had planned to increase the area security covers to include portions of S 1st St where problems had occurred at previous events.

GREEN expressed his concerns about the past and scheduled events and Captain WURTH and A.C.A. HOUGH explained that it was the position or role of the Milwaukee Police Department to block future underage events. A.C.A. HOUGH explained the penalties for not making the proper notification to the department should additional underage events be held at the premises.

I served GREEN with two citations, for the events that occurred on 03/17/17 and 03/31/17, and explained the normal deposit for these citations is normally much larger than the \$321.00 because the deposit could include an additional \$200.00 per each additional underage person at the premises.

PA-33E Narrative

This report is written by P.O. Guadalupe VELASQUEZ, assigned to District 2, Community Prosecution Unit (CPU).

On 04/20/2017, the District 2 CPU received an anonymous complaint from the Office of Alderman Jose Perez regarding The Point, located at 906 S. Barclay St. The complaint alleged there were naked women dancing at the location on April 15, 2017.

On 04/21/2017, Squad 2268 (P.O. Erin JACKSON and I) contacted the licensee, Claiborne M. GREEN, who stated he would meet officers at the license establishment. At approximately 3:01 p.m., officers arrived at the location. GREEN stated that there was a private party at the location on April 15th. He stated there was no full nudity but that a couple of women who attended the event stripped down to bikini tops and bottoms. GREEN stated he was aware that full nudity was not allowed. I provided GREEN with a copy of MCO 108-22-Costume Regulations. I also requested to view video surveillance footage of the event but GREEN stated he did not know how to view the cameras. GREEN did call "Patsy," the building owner, to advise her that the police wanted to view the footage. GREEN was to call me when the footage was available to view. As of the date of this report CPU has not been contacted to view the video.

Clai,

During routine patrols last night in the Walker's Point area, squads observed a great deal of traffic congestion, reckless driving and loud music from vehicles stemming from the event held at The Point and security guards attempting to abate the issues. Squads conducted a traffic stop of a reckless vehicle from the area and during an interview of the driver, he indicated he was coming from your establishment during which there were "strippers" at the location and that they were "stripping" on the floor with an abundance of money being thrown at them for this activity. The delay in the squads entry into The Point was their attention being paid to the disorder on the streets that was taking place and attempts to clear that and to prevent any potential acts of violence.

When officers were able to enter and during the check of the interior, officers were told that by Patsy that she was unable to access the video system as they wanted to refute the claims of the aforementioned individual and she claimed did not know how to operate the system.

Based on the pictures and videos recovered below, as well as the vehicular activity outside of The Point, you can understand our concern about the events. As you are aware, we had reports of similar activity from an event held in April and our CPU officers reached out to you to view the video, again to ascertain the credibility of the claims.

Events held at your establishment, or any establishment, with little to no trouble do not frequently draw police attention and we certainly cannot be at all licensed premises at all times when events are held to see the "good" things that are being done. I welcome the list of future events being held and we will make efforts to visit on occasion.

I would encourage you to view the attached video and the attached pictures. While I appreciate the instructions given to the party host, it appears as though your instructions regarding this event were not followed. I'm curious to know what, if any, actions were taken by your security staff or licensees to address that activity, which I believe is in direct conflict with your instructions.

We fully support all responsible businesses in the District and make all attempts to be cooperative with those establishments to ensure they are safe and enjoyable to all the visitors. We want to maintain a relationship and do so without bias... for the success of the business owners and the continued development of the District.

We will likely arrange another meeting and I will have my CPU team make contact with you to advise you.

**Subject:** Re: Fresh Empire Follow - Up

Good Day,

Last night the Point had an event and it was the 2nd one someone had booked with us regarding an event with dancers not strippers dancers there is a difference. At around 230 am the police I believe Martin had come in with 4 more police and asked for my license and stated that we had strippers here.. First I want to make it clear that I do not need officers stating we had STRIPPERS here when that was not the case they were dancers and part of the event the people put on I made it quite clear in an email to them and over the phone that we were not a strip club and I better not see one ounce of nudity or the lights go on and it is shut down.

Now I feel that I am getting to the point where the department is harassing me , the week before my home was burned out by a fire twice in one I was left with nothing IN BAYVIEW as I am sure you heard othis was on woodward, I am not an idiot and not going to jepordize my Liquor license since my event venue is my main income many times when my other business is slow. SO I do not need the harassment at 230 am when I want to go home they should have stopped by at operation hours.

The event space caters to all groups of people when we rent to an event there are many and I mean many that come to me and I clearly state we are booked so that we do not have a lawsuit against the company due to racism. I pick and choose events that I feel will not have an issue and 99 percent out of 20 Weddings last year umpteen events and the SANGRIA bar I had zero issues NONE! I run my place very professional regarding staff and clients. Why was no one at the ARTS AT LARGE event on THURSDAY or the WEDDING LAST WEEK or the URBAN MET GALA to see how wonderful these were ? Why did not anyone stop by during operating hours last night? I have zero issue with that I want you guys around it is our protection!

I was told by the officer that 40 cars where hanging out at the gas station after they left well I doubt this happens very much with any of our clientel and that I apologize for but again there were zero issues at all.

So this is what I am going to do because I am getting very frustrated I am going to print out my monthly events for the Summer and drop or email them off this way your department will always know what is going on at THE POINT. Again I must reiterate that I want you guys to show up all the time if you are around and I welcome this!

I am also forwarding the letter that I sent to LADRAYA who had the URBAN met gala that was amazing like an OSCAR event then she had the event last night of which I made it quite clear my guidelines

Here is the email sent a few days ago , also when we signed the contract and she told me she was having dancers I asked STRIPPERS because I do not have a license for STRIPPERS.

Again I take great pride in my business AT THE POINT and THE SANGRIA bar that I have built over the last 24 months catering to Weddings, Corporate events, Charities and so much more and have had a success with every single one except the darn teenagers which that is done with .

I look to be opening more event spaces both downtown and in Walkers Point along with my MODD clothing store for women so I am not going to jeopardize things that I work very hard to accomplish. If there is anything I can do please let me know and I will be happy to support everyone;s concerns I want to continue the success and do more great things here in WALKERS POINT!

As I am used to dealing directly with Ladraya and her consistent successful events I do have reservations with what went on last evening with the nudity postings on Social Media . I have a reputation to protect with my company .

- 1) No Nudity of any sort boob , ass etc which means anyone in a string bikini inside our place with their ass hanging out will be asked to put on full clothes or leave by our security.
- 2) All women that are there for the Bday party are to be wearing either a halter top or bikini top and anything with sheer must be covered underneath at all times.
- 3) If one women is caught showing any of their body parts other than what is normal they will be escorted out immediately no exceptions.

I do not have an issue with women or men that strip down to their undergear or bikini for birthdays etc because we have all kinds of events but any type of partial or full nudity in my place of business is strictly prohibited.

I am very good friends with our Police in our area and they stop by frequently and have let me know they will not tolerate this or the event will be shut down. I would hate for you to make a mistake and take a huge loss in this.

I also will expect all security to be security and not talking to patrons unless then are answering questions . Their job is to watch every little thing going on in my place of business.

## Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
  - a. Include only information relating to the above license application.
  - b. Include only information you have personally witnessed or seen.
  - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
  - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.  
**Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.**
