Re: Foley/Miller Building  
266-272 E. Erie Street  
Historic Designation

Dear Ms. Hatala:

The matter of the historic designation of the subject building was heard at the regular meeting of the Architectural Review Board on Wednesday, May 27, 2015.

The recommendation of the Historic Preservation Commission and the Zoning, Neighborhood, and Development Committee of the Milwaukee Common Council to designate the structure as a historic building for the purposes of regulating demolition permits was reviewed by the Architectural Review Board.

The members of the ARB present voted to consent to the recommendations for designation.

If you have any questions, I can be reached at 414-416-5762.

Sincerely,

Chris Rute, AIA
