**Past Actions:**

TID No. 24 was created in 1994 and has accomplished a number of business expansions. Recent projects include Milwaukee Protective Covers, Production Stamping, Sun Cleaning Systems, Compo Corporation and Tramont Corp. The project plan was amended earlier this year to allow funds to be used for property acquisition.

On April 19, 2001, the Redevelopment Authority held a Public Hearing on the blight designation pursuant to Wisconsin Statutes.

**Future Actions:**

Upon approval by the Common Council, the Redevelopment Authority will proceed to acquire the properties pursuant to Section 32.05, Wisconsin Statutes. A relocation plan will be prepared and all tenants relocated according to Wisconsin Statutes. TID No. 24 will pay for all acquisition, relocation and demolition expenses.

Respectfully submitted,
