SUBJECT: 10TH ALD. DIST. - FILE #251017
REMOVE NO PARKING ON THE NORTH SIDE OF
WEST WISCONSIN AVENUE FROM NORTH 49TH STREET
TO A POINT 90 FEET EAST

Dear Alderwoman Moore:

A review of the above captioned parking restriction on the north side of West Wisconsin Avenue east of North 49th Street, has found that additional parking could be restored in this area and still allow traffic flow by repealing the above-captioned parking restriction. The necessary legislation will be prepared for consideration at the next Public Safety and Health Committee meeting to remove the above captioned parking restriction.

Sincerely,

Kevin J. Muhs, PE, AICP

Honorable JoCasta Zamarripa
Alderwoman, 8th Aldermanic District
Room 205, City Hall

SUBJECT: 8TH ALD. DIST. - FILE #251017
INSTALL NO PARKING ANYTIME ON THE WEST SIDE OF
SOUTH 35TH STREET FROM A POINT 270 FEET SOUTH OF
WEST LINCOLN AVENUE TO A POINT 45 FEET SOUTH THEREOF

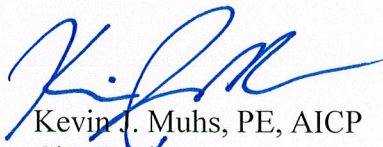

Dear Alderwoman Zamarripa:

This is in response to a request we received from Badger Ham located at 3521 West Lincoln Avenue to install the above-captioned parking restriction on South 35th Street.

Our traffic engineering staff has investigated this request and found that trucks entering and exiting the loading docks on South 35th Street drive over the median island while trying to access the loading docks in question. The installation of this restriction will make it easier to access the loading docks and prevent future damage to the median island. Therefore, we recommend the installation of this restriction.

We will prepare the necessary legislation that will be heard at the next Public Safety and Health Committee meeting, so that you may support it to final passage.

Sincerely,

Kevin J. Muhs, PE, AICP
