1. That said FACILITIES shall be maintained and kept in good order and condition by the City.

2. That no structures may be placed within the limits of the EASEMENT by the Grantor excepting that improvements such as lawns, concrete walks, roadways, driveways, and parking lot surfacing may be constructed, and that the City will replace such damaged or removed lawns, concrete walks, roadways, driveways, and parking lot surfacing, at its own cost, after making any necessary repairs, reconstruction, or enlargement of the FACILITIES in the EASEMENT.
