

Image Task Force Update

City of Milwaukee

Community & Economic
Development Committee

November 18, 2013

Image Task Force

Committee proposed by Alderman Witkowski with the purpose of improving the image of our community as a great place to live, work, play, learn and visit.

Image Task Force

Recommended that VISIT Milwaukee would take the lead in a PR approach:

- PR effort to tell our story
- Creation of website
- Creation of video
- Community calendar
- Promote the Milwaukee Mark

Connect
MARKETPLACE

Connect SPORTS
MARKETPLACE

Energized attendees created new possibilities during Marketplace appointments, workshops and education sessions while discovering cutting-edge strategies and innovative, industry-specific ways to advance business. They enjoyed just as hard as they worked, all the way through to the circus-themed closing reception, where they met and mingled with past and future colleagues while enjoying plenty of great food and drinks, including wine on demand from a vino-dispensing bicycle cart. Judging by the smiles, it's safe to assume they had a blast!

CONNECT MARKETPLACE
This year's Connect Marketplace—which took place Aug. 22 to 24 in Milwaukee, Wis.—kicked off with a bang. Visit Milwaukee helped welcome 1,600 meetings professionals with an amazing fireworks show over Lake Michigan at Discovery World Center for Public Innovation.

There were opportunities for both learning and leisure at Connect Marketplace, and meetings professionals took time to network, engage in playfully spirited competition and find inspiration in keynote speeches from renowned educator Geoffrey Canada and legendary athlete/entrepreneur Earvin "Magic" Johnson.
