INSTALL ALL-WAY STOP ON  
WEST HIGHLAND AVENUE AND NORTH VEL PHILLIPS AVENUE

Dear Alderman Bauman:

In a review of the intersection of West Highland Avenue and North Vel Phillips Avenue during the arena project found the need to install an all-way stop control at the intersection based on the high level of pedestrian traffic at the intersection. Therefore, in the interest of public safety we recommend the installation of the above-captioned traffic control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Honorable Chantia Lewis  
Alderwoman, 9th Aldermanic District  
Room 205, City Hall

SUBJECT: 9TH ALD. DIST. - FILE #181541  
INSTALL NO TRUCKING 3 TONS OR OVER ON NORTH 116TH STREET  
AT WEST BROWN DEER ROAD SOUTHBOUND, AND ON  
WEST BRITTANY WAY AT NORTH LAUER STREET WESTBOUND

Dear Alderwoman Lewis:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restrictions.

Our Traffic Engineering staff has investigated this request and found that since these streets are strictly residential and trucks are using them as a short cut, we recommend that heavy trucks be prohibited.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting so that you may support it to final passage.

Sincerely,

Samir Amin, P.E.  
City Engineer
