To Whom It May Concern:

MAR 15 2019

3:30 A.M./P.M.

My name is LaNisha M. Martin and on February 19, 2019 City worker Richard A. Rosinsky hit my parked vehicle (2010 Ford Crown Victoria) which was parked in front home at 2847 N. 51st Street Milwaukee, WI 53210 just before 8pm. Richard A. Rosinsky was in vehicle number 26355. I heard a loud sound and went outside to see that my car was badly damaged. After my car was hit caused a inconvenience in my everyday life. It is required for me to have a car for my job at Running Rebels Community Organization. I had to pay out a pocket for a rental car until I was eventually able to get a new car.

I am asking for the city to pay;

\$12 for towing cost

\$830.43 for rental car.

\$6.00 for police report

\$ Estimated cost to fix car from Heiser 76th Street Body Shop \$6,978.96

\$Estimated cost to fix car from Macco Collision Repair \$3,951.87

If you need to contact me at 414-334-7227.

Sincerely,

LaNisha Martin

<p>Terms & Conditions: In consideration of the towing and other services ("Services") to be provided by Grube's Towing and Repair ("Grube's") the undersigned acknowledges and agrees to the following: I represent that I am the owner of the vehicle as to which the Services shall be performed, or have obtained permission from such owner (or any other owners, as applicable) to execute this agreement on their behalf. I understand that Grube's will not be responsible for any loss or damage to the vehicle to the extent due to causes beyond the control of Grube's, including but not limited to fire, theft, damage due to lockouts or damage due to winchouts, nor shall Grube's be responsible for any damages to the extent arising from Grube's performance of the Services in a non-negligent manner. In addition to and without limiting the foregoing, I understand that Grube's will not be responsible for any damages caused by or due to any alteration of the vehicle from manufacturer's standards, such as by accessories that have been installed in or on the vehicle. I understand that in some situations, towing and/or movement of a vehicle cannot be performed without damaging the vehicle, such as when a vehicle is extricated from an accident scene or winched out or loading vehicles onto a standard flatbed where OEM tie down points make it impossible to load without bumper touching chains or scraping the flatbed. Nor shall Grube's be responsible for attaching to OEM tie down points where the flatbed cable would scratch, break, or rub lower bumpers, air dams, plastic shrouds, etc. I, on behalf of myself as well as any other owner of the vehicle, as applicable, knowingly and freely assume any risk of any risk of any damages or losses, both known and unknown, which may arise in such situations, and Grube's will have no responsibility for the same. I understand that Grube's will have no responsibility for damages or losses in any tow to the extent such losses or damages would necessarily occur as a result of performance of industry-standard towing techniques. Upon the completion of a tow, Grube's will position the vehicle as reasonably determined by Grube's representative. I understand that if I require additional movement or manipulation of a vehicle, Grube's STANDARD PROCEDURE is to place vehicle/equipment within a public street or alley, I will be responsible for, and will assume any risk of, any damages or losses arising from driving on a non-paved surface, any additional movement or manipulation; Grube's will have no responsibility for any such damages or losses. I, for myself and any other owner of the vehicle, as applicable, hereby release and hold harmless Grube's its affiliates, officers, members, agents, employees, representatives, and sponsoring agencies from and against any and all claims, injuries, liabilities or damages to the extent Grube's is not responsible for the same under the terms above.</p>							Storage 12.00

893.80 Claims against governmental bodies or officers; agents or employes; notice of injury; limitation of damages and suits. (1) Except as provided in subs. (1g), (1m), (1p) and (8), no action may be brought or maintained against any volunteer fire company organized under ch. 213, political corporation, governmental subdivision or agency thereof nor against any officer, official, agent or employe of the corporation, subdivision or agency for acts done in their official capacity or in the course of their agency or employment upon a claim or cause of action unless:

(a) Within 120 days after the happening of the event giving rise to the claim, written notice of the circumstances of the claim signed by the party, agent or attorney is served on the volunteer fire company, political corporation, governmental subdivision or agency and on the officer, official, agent or employe under s. 801.11. Failure to give the requisite notice shall not bar action on the claim if the fire company, corporation, subdivision or agency had actual notice of the claim and the claimant shows to the satisfaction of the court that the delay or failure to give the requisite notice has not been prejudicial to the defendant fire company, corporation, subdivision or agency or to the defendant officer, official, agent or employe; and

(b) A claim containing the address of the claimant and an itemized statement of the relief sought is presented to the appropriate clerk or person who performs the duties of a clerk or secretary for the defendant fire company, corporation, subdivision or agency and the claim is disallowed.
