May 22, 2017

To The Honorable
The Common Council

Dear Council Members:

The Port of Milwaukee, as part of its railroad rehabilitation program, has received notice the Wisconsin DOT has awarded the Port a grant to rehabilitate railroad road crossings in the Port area at a cost of approximately \$2,204,400. The grant would pay 80% of the cost (\$1,763,520) with the remaining 20% (\$440,880) coming from the Port's capital account.

The Port of Milwaukee respectfully requests that the Council adopt the attached resolution authorizing the grant acceptance. A copy of the grant agreement is also attached. Thank you for your consideration of this matter.

Sincerely,
