INSTALL STOP SIGNS ON
NORTH 67TH STREET AT
WEST RUBY AVENUE

Dear Alderman Davis:

Our on-going crash identification and surveillance program indicated a need to investigate the above-captioned intersection for a control change. Our findings show that three crashes have been reported to the Milwaukee Police Department in twelve months. We, therefore, recommend the above-captioned traffic control change.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.

Subject: 4TH ALD. DIST. – FILE #031064
INSTALL NO U TURN ON WEST MICHIGAN STREET
BETWEEN NORTH 8TH STREET AND
NORTH 9TH STREET WESTBOUND

Dear Chairperson:

This is in response to a request we received from Captain Gregory Habeck, Milwaukee Police Department, to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that since the westbound left turn on West Michigan Street to the expressway ramp at North 8th Street is restricted, westbound motorists are making a “U” turn at the median opening just west of this intersection to access the expressway. The Milwaukee Police Department has observed many near crashes when motorists are performing this turn maneuver and requests that the turn be prohibited.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
