James Owczarski,
Common Council Administration Manager
City Clerk's Office
Room 205, City Hall
City of Milwaukee

Dear Mr. Owczarski:

The City of Milwaukee negotiating team and Milwaukee District Council 48, AFSCME, AFL-CIO, have reached agreement on compensation for certain employees in the Engineering Technician I and II classification while assigned to Road Life Work. This agreement is an implementation of the parties' interpretation of a grievance arbitration award. In order to implement this agreement, we need to add a footnote to Pay Ranges 600 and 602 of the Salary Ordinance.

We request that a file be opened for a resolution approving the Memorandum of Understanding and for an amendment to the Salary Ordinance implementing the change agreed to in the Memorandum. Further information will be forthcoming.

Sincerely,

Troy M. Hamblin
Labor Negotiator
