To whom this may concern,

I am filing a claim against the city of Milwaukee due to a flooding caused by City of Milwaukee employees on January 28th, 2016, around 12:30 AM location 2658 S.14th street Milwaukee, WI 53215. There were a few workers from the Milwaukee Water Works working on the sewer in from of my house and the work caused my basement to flood. The basement was covered in dirty muddy water for about a foot and a half deep, which caused many things to damage. My room is located in the basement which had wood laminate floor which needs to be replaced, as well as the carpeting in my closets. The bottom portion of my bedroom set also had water damage, the rough estimate I received on that was 2,600. A 42 inch smart TV that was on a low stand on the floor has been damaged, as well as a window AC unit. Along with these items endless personal items that were in boxes under my bed were destroyed as well. If you have further questions you can reach me at 414-702-9399.

Thank you,

Edith Guerrero
