Dear Ms. Oliva:

On February 6, 2007, you submitted fiscal notes and brief narratives relating to Common Council File Numbers 061257 and 061258. Since the submission of your report, File 061257 has been amended and the most current version of this file is Proposed Substitute C.

Please provide a fiscal assessment of Common Council File Number 061257 – Proposed Substitute C, and include discussion of the immediate and future impact that passage of this ordinance would have on the Purchasing Services Section and affected City departments. Please also include in this report a fiscal assessment of File 061258, and how passage of this file would impact the Purchasing Services Section and affected City departments.

Thank you for your attention to this matter, and I look forward to your response. Please feel free to contact me with any questions.

Sincerely,

  
MICHAEL J. MURPHY
