**MOTION BY ALD. COGGS**

RELATING TO FILE NO. 250278

VERSION: SUBSTIUETE 1

TITLE: Substitute Resolution amending the City of Milwaukee’s legislative package to include a provision urging the State of Wisconsin and the federal government to establish and fund a grant program to encourage owners of multi-family properties to retrofit fire suppression systems.

ITEM NUMBER: 48

COMMITTEE: JUDICIARY & LEGISLATION

---

**MOTION**

I move to delete the first resolved clause, which reads:

*“Resolved, By the Common Council of the City of Milwaukee, that the Department of Administration-Intergovernmental Relations Division is directed to seek introduction and passage of state and federal legislation to establish and fund a grant program to encourage owners of multi-family properties to retrofit fire suppression systems; and, be it”*

I further move to delete the word “Further” from the beginning of the following clause, from “Further Resolved,” to “Resolved,”.

I further move for adoption of the file as amended.

---

**ANALYSIS OF MOTION**

This motion does not change the substantive intent of the resolution; it removes an unnecessary clause that may cause confusion due to its inclusion of the Department of Administration-Intergovernmental Relations Division and not the Legislative Affairs Division.
