This matter cannot be held from scheduling indefinitely unfortunately. Am trying to process pending matters that still need action by the ZND committee. Should you no longer wish to pursue this matter and want to withdraw the appeal, please notify our office.

Sincerely,

Chris Lee

Previously, I was told the matter would not be scheduled unless something changed.

Nothing has changed.

I do not wish to schedule the matter for the 30th.

To all,

In an effort to resolve old matters, I will tentatively propose to the ZND chair to schedule this COA appeal before the Zoning, Neighborhoods and Development Committee's June 30, 2020 meeting which begins at 9 a.m. and will be a virtual meeting.

If you can recall, this matter was held from scheduling before ZND at the appellant's request.
