Dear Donnie,

Thank you for returning to the Brady Street Area Association (BSAA) Board of Directors meeting on Tuesday, April 8, 2025 to further discuss your **application for a liquor license for Donnie's Bar, located at 1686 N Van Buren St.** We appreciate you taking the time to present again and introduce members of your proposed management team.

Following your second presentation and a thorough review of the business proposal, the BSAA Board of Directors remains concerned about several critical aspects of your application. **Unfortunately, these ongoing concerns prevent us from offering our support for your liquor license application.**

Specifically, our concerns persist in the following areas:

- **Failure to Meet Neighborhood Requirements (Commercial Hood):** Despite our previous communication, your plans still do not appear to meet the established neighborhood requirement of having a commercial hood and serving a diverse food menu beyond frozen pizzas. This remains a fundamental condition for the BSAA's support, as it ensures new establishments add value, contributing positively to the vibrancy and offerings of our neighborhood.
- **Continued Lack of Clarity on Operating Plans:** While you introduced members of your management team, the specific details regarding operating hours and security protocols remain insufficiently addressed. The information presented by the General Manager and Music Manager did not provide the clarity and comprehensive planning we require.
- **Insufficient Security Plan:** While door security and cameras were mentioned, your team was unable to articulate a clear and comprehensive plan for handling disruptive or problematic customers. This lack of a proactive strategy raises serious concerns about the potential impact on the safety and well-being of patrons and neighbors, particularly given the existing density of liquor licenses in the Brady Street area.
- **Lack of Detailed Management Involvement:** Your statement that you will be "hands off" the bar's operation, while understandable, does not alleviate our concerns. The ultimate responsibility for the establishment rests with the license holder, and a clear understanding of the ownership's oversight and accountability is crucial. The delegation of responsibilities to the introduced team, without a robust operational plan presented by them, does not provide the necessary reassurance.

As we stated in our previous letter dated October 23, 2024, the BSAA is committed to ensuring that any new establishment seeking a liquor license in our area contributes positively to the neighborhood and operates responsibly. With 85 existing liquor licenses, our due diligence in carefully evaluating each application is paramount.

Based on the continued lack of comprehensive plans addressing our outlined concerns, particularly the failure to meet the commercial hood requirement and the insufficient security strategy, **the Brady Street Area Association is unable to support your application for a liquor license for Donnie's Bar.** We appreciate your engagement with the BSAA. However, until these fundamental concerns are adequately addressed with clear and detailed plans, we cannot offer our support.

Sincerely,

Board of Directors

Thank you for the letter you sent on 9-10-2024. I have owned for about 30 years. I am sending this note because I have to work on Sept 17 and won't be able to come to your meeting regarding Donnie's Bar.

I did not move to this area to be near a bar. I always liked the east side mostly because of the proximity to restaurants and the lake.

When Casanovas opened up the owner gave all of the residents in the area a lot of promises, mostly about it being a restaurant not a bar. Since that time : empty booze bottles, and endless loud noise from their car stereos.

I am also concerned about the shootings on that corner, which resulted in several deaths. Why do you allow this to happen? My guess is because of the increased tax base. I would much rather have a higher tax base than a crime ridden neighborhood.

Like I said I have to work at this meeting but I will notice what will go on.

Thanks

Jonathan,
I received your letter in regards to the meeting about Donnie's bar license application. While I am unable to attend the meeting I did want to voice my concern about this bar. The owner's previous bar was known for open drug use in their VIP section and excessive noise. As a close by neighbor of the new proposed location and licensed foster parent I am hoping the east side gets nicer and safer rather than inviting in more problem bars.

Thanks,

Cox, Andrew

Dear Licensing Board,

This email is to express my concerns regarding the application at **1686 N VAN BUREN ST** for **APPLICATION Food Dealer - Restaurant** license which was applied for on **04/16/2024** for **DONNIE'S BAR, DRIES ENTERPRISES, LLC**. This application appears to be a part of two other license applications for the same property (a Business Transfer Application and Business License Plan of Operation) which were submitted on 4/10/24 and all three licenses should be considered as a whole when issuing any of the licenses. As a resident of the neighborhood I have serious concerns:

1) **Noise** - These comments pertain to the Business License Plan of Operation submitted 4/10/24 and should be considered along with this Food Dealer Application (as already stated). This location is centrally located in the primarily residential neighborhood bounded by Van Buren, Cass, Brady and Pleasant streets, an area containing a **senior living facility, church and importantly a K-8 public school**. The applicant proposes hours of operation extending from 6 am to 2:30 am encompassing both school hours and "night" hours (9pm to 7am) as defined in the Milwaukee Code of Ordinances 80-64

within the category of Nuisances. The applicant very recently had two, similar businesses on North Oakland Avenue closed due to noise complaints. Additionally, in the Plan of Operation Section 3e, the applicant concedes that the establishment will in fact use sound amplification equipment without revealing the nature, strength or extent of such equipment. No sound insulation or noise mitigation protocols are promised or even discussed. Given the applicant's previous behavior with regard to noise in a similar residential setting, these omissions are extremely concerning.

2) **Exterior Refuse Containers** - In Section 4b. of the Business License Plan of Operation submitted on 4/10/24 for this same location, applicant responds that 1 container will be used without specifying the nature, size or proposed location of said container. Refuse containers from other commercial establishments on Van Buren currently are located in the alleyway between Cass and Van Buren. Existing containers already represent a material hindrance to residential access to parking and garage space from the alleyway. Some of these containers attract rodents via their food waste and poor condition and closure systems. There have been instances of cooking oil and other large leaks (which have been corrected, thanks to our Alderman). In this case the applicant offers no plan on how the location and use of his refuse container will not worsen these conditions. Beyond residences, the alleyway borders the church, senior living facility and importantly the school, so concerns around waste handling are especially important considering the vulnerability of the senior and school age populations.

3) **Parking**. - Section 5a. of the Business License Plan of Operation, applicant does not provide any plan for parking for patrons of the establishment. Street parking in the neighborhood is strained and the addition of the new patron parking load will further displace residents. Night (after 9pm) arrivals and departures of non residents are already a serious noise issue and contribute to the unacceptable levels of vehicle property damage (glass) in the area. A plan for mitigation of this new establishment's impact on these parking issues should be a precondition for approval of the application.

Thank you for your consideration of my concerns and I trust my name will be kept confidential and not be used in any communications to the applicant. Should a license be granted, please advise what process will be in place to ensure the applicant adheres to any commitments made to address these concerns or other general commitments made in support of the application. Finally, and as you suggested in your email, I have copied my Alderman so that he is aware of my concerns.

Sincerely,

Dear Donnie,

Thank you for joining the Brady Street Area Association's (BSAA) Board of Directors meeting on October 1, 2024. During this meeting, we discussed your application for a liquor license for **Donnie's Bar, located at 1686 N Van Buren St, Milwaukee, WI 53202**, and the BSAA's support of that license.

We are writing to express our concerns regarding your application for a liquor license for your proposed establishment, Donnie's Bar. While we understand your desire to revitalize the historic Angelo's Piano Bar, we believe that your current plans do not adequately address the needs and concerns of our neighborhood.

Based on your presentation to the BSAA during the meeting, we have the following concerns:

- **Failure to Meet Neighborhood Requirements:** As a condition of supporting a liquor license, you are required to have a commercial hood and serve a variety of food beyond frozen pizzas. To ensure that your establishment contributes positively to the neighborhood, we urge you to provide a detailed plan for meeting this requirement.
- **Lack of a Comprehensive Business Plan:** A detailed business plan is essential to demonstrate your ability to operate a successful and responsible bar. This should include information on your target clientele, marketing and promotional strategies (relying solely on an email list of 1,000 people is a narrow marketing approach), operating hours, and staffing requirements. Please provide a plan on this information for your establishment, in addition to the following details:
 - **Security, Staffing and Management:** Your plan to operate without a general manager and with limited security raises concerns about your ability to maintain a safe and welcoming environment. A well-staffed and managed establishment is crucial for ensuring the safety and well-being of patrons and employees. Please provide a detailed plan for your staffing needs, including the number of employees, their qualifications, and their roles and responsibilities. Additionally, outline your security measures, such as the presence of security personnel, surveillance cameras, and emergency procedures.

With 85 liquor licenses already in the Brady Street Area, the BSAA is committed to ensuring that any new establishment contributes positively to our neighborhood. We are concerned that your current plans do not adequately address how Donnie's Bar will attract clientele, provide entertainment, and avoid becoming a nuisance to neighbors. To demonstrate your commitment to responsible operation, we urge you to revise your application to include a detailed plan outlining your strategies for meeting neighborhood requirements, customer outreach, staffing management, and ensuring the safety and well-being of patrons and residents.

If you are unable to address these concerns, the Brady Street Area Association is unable to support your application for a liquor license for Donnie's Bar. Thank you for your attention to this matter.

Sincerely,
Board of Directors

Tuesday, June 10, 2025 at 1:05 PM

To whom it may concern:

The above application has been made by the above named applicant(s). This requires approval from the Licenses Committee and the Common Council of the City of Milwaukee. The hearing before the Licenses Committee will take place on 6/10/2025 at 1:05 PM in Room 301-B, Third Floor, City Hall. This is a public hearing. Those wishing to view the proceeding are able to do so via the City Channel – Channel 25 on Spectrum Cable – or on the Internet at <http://city.milwaukee.gov/citychannel>. Those wishing to provide oral testimony via internet are asked to contact the staff assistant, Yadira Melendez at (414) 286-2775 or stasst5@milwaukee.gov for necessary information. Please make such requests no later than one business day prior to the start of the meeting. You are not required to attend the hearing, but please see the information below if you would like to provide testimony. Once the Licenses Committee makes its recommendation, this recommendation is forwarded to the full Common Council for approval at its next regularly scheduled hearing.

Important details for those wishing to provide information for the Licenses Committee to consider when making its recommendation:

1. The license application is scheduled to be heard at the above time. Due to other hearings running longer than scheduled, you may have to wait some time to provide your testimony.
2. You must appear in person and testify as to matters that you have personally experienced or seen. (You cannot provide testimony for your neighbor, parent or anyone else; this is considered hearsay and cannot be considered by the committee.)
3. No letters or petitions can be accepted by the committee (unless the person who wrote the letter or the persons who signed the petition are present at the committee hearing and willing to testify).
4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.

Please Note: If you have submitted an objection to the above application your objection cannot be considered by the committee unless you personally testify at the hearing.

Marketing Plan

Establishing a strong online presence through social media, a website, and Google Business Profile, promoting unique events and themed nights, utilizing local partnerships, and excellent customer service to attract a targeted audience and build a positive reputation

Word-of-mouth marketing is invaluable for bars. If you provide a customer with the experience they're seeking, they're likely to bring customers along with them to your business. Additionally, the opportunities you have to market your bar will coincide with the venue you create.

Social media is extremely important for any business in today's world. Donnie's Bar will be available on all social media platforms (Facebook, Instagram, twitter, etc.) with daily post notifying our followers of upcoming artists, drink specials, news etc.

Conventional advertising via Billboards. Donnie's Bar is currently renting a billboard on the corner of van Buren and Brady. This is seen by thousands of people daily.

Each musician has a fan base. Our hope is our customer service will turn them into our fans as well.

OVERVIEW

In 1953 Frank Sinatra played at Angelo's. With big shoes to fill, Donnie's Bar wants to continue Angelo's tradition of being a haven for all musicians. We want to continue the legacy of providing live music to a sophisticated audience. Donnie's Bar wants to create ambience perfect for a first date or a 50th wedding anniversary. We would like to provide premium martinis, aged wines, and premium spirits in a cozy low-lit environment.
