SUBJECT: 13th ALD. DIST. - FILE #130016
INSTALL RIGHT LANE MUST TURN RIGHT ON
WEST LAYTON AVENUE AT SOUTH 20TH STREET
FOR EASTBOUND TRAFFIC

Dear Alderman Witkowski:

As a result of geometric changes to the intersection of West Layton Avenue and South 20th Street which were done during the I-94 reconstruction project, the above-captioned turn restriction is needed. The necessary legislation will be prepared for consideration at the next Public Safety Committee meeting to install the above-captioned traffic control restriction.

Very truly yours,

SUBJECT: 3rd ALD. DIST. - FILE #130016
INSTALL ALL-WAY STOP ON
NORTH CRAMER STREET AND
EAST NEWBERRY BOULEVARD

Dear Alderman Kovac:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the accident data received from the Milwaukee Police Department revealed an increase in accidents at this intersection that would warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the all-way stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
