Subject: Feedback - File #210053 - The 1500's at 1540 N. Jefferson

Thank you for the notice of the CPC hearing on this proposed project. We own a condo at 1541 N. Jefferson #510. I am writing to express my strong support for this proposed plan. I believe the project would be an improvement to the area, and that it fits in very well with existing neighborhood structures.

I urge a Yes vote on this project and thank the petitioner for his investment in this project, and thank the City for their support of it.

Sincerely,  
Michael & Kimberly Turner
