There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. RE: Objection for Class A Malt & Class A Liquor License for 5Xen Market, 5X3N Market Inc.

To Whom It May Concern:

My name is _____ and my family is the proud owner of _____ for the past 16+ Years. I am reaching out to seek your help with objecting the application for a new Class A Malt & Class A Liquor License for 5XEN Market. This establishment is located inside the Asian Market on 6318 N 76th St. which is just across the street from us on Mill Rd. See Attachment A for your reference.

My objection is for the following reasons:

1. Saturation of Liquor & Beer stores in the area. See Attachment B
2. Adverse effect on the amenity of the community with multiple liquor licenses within the same area
3. Social impact of the license, authorization or approval being granted will be detrimental to the well-being of the local community
4. Close proximity (380 feet) from Roberson Family Day Care; and multiple other day care/learning and development centers/schools
5. Increasing levels of competition
 - a. New Class A Malt license issued to M Mini Mart in 2019. Located at 5922 N 76th St, within ½ Mile
 - b. Class B Tavern License is available for the neighboring Milwaukee Asian Market Building #2 (6300 N 76th St.)
6. Issuing another Class A Malt & Beer license sets a precedent that opening a "grocery" store is the way to obtain a license in the City
7. Objection and concerns raised by residents of the neighborhood

Please consider our appeal for not supporting the issuance of another Liquor and Malt License within the same area.

Sincerely,

Enclosures (2)
