Subject: Report Towing Fraud - Junk Junkies LLC

Hello,

I need your assistance. My Tesla Model X was towed from a lot that was not marked as private or no parking! The tow company - Junk Junkies LLC and Anthony Booher. This was clear fraud and opportunistic on their part as there were several vehicles parked nearby that were not towed. They knew they could get \$300 out of me. It is effectively ENTRAPMENT showing unmarked spots and then towing vehicles and extorting owners out of \$300. A short scan of his CCAP will reveal the why's I believe.

This individual has 22 charges against him on CCAP alone, including domestic abuse, gun violence, etc. This company fraudulently took my vehicle. Photos are attached about where I parked. The area was a gravel lot that appeared to have public parking in the unmarked spots.

They charged nearly \$300 for this and wasted a ton of time. They didn't answer my repeated calls. The family I had to leave there has video of their predatory practices circling the area 3 times within 20 minutes looking for more fraudulent tow opportunities.

This company charged moved my vehicle without authorization and held me up for \$285 cash because they wouldn't accept credit card. That's not legal either as it's my understanding they must post their payment methods and accept the posted methods. They posted credit cards as an option and didn't take them.

I believe they wanted to tow the tesla because they never had. Their employee admitted this.

I would like to see their license revoked, my money refunded, and the business fined for their illegal acts violating WisStat Trans 319. Please get back to me ASAP.

REDACTED RECORD

Subject: Help with towing incident overcharge

Good evening Mr. Kovac,

My name is T. I researched and found a Fox6news report from July 24, 2019 in which you were apart of to crack down on towing "special fees." Today I was parked in a lot across from Float Milwaukee and Purple Door Ice Cream Shop, located at the corner of 2nd and Freshwater. I was there for a short moment to pick up a donation from Float Milwaukee for an upcoming nonprofit event and had my four year old daughter with me. There were five stalls marked for Float Milwaukee Parking and about 20 feet away was a sign that said no parking and a Purple Door Mini Truck was parked in front of that sign. The 10 feet between the two areas was not marked at all with visible signage to indicate that area was a no parking zone for either Float Milwaukee or Purple Door. I parked in the area right next to the Float Milwaukee stall 5 sign. I was notified by the Float Milwaukee staff my car was being towed and I should go out right away because "the tow company had been getting people all day for stupid reasons and demanding cash payments to unhook the car. I ran outside with my four year old and asked the tow driver what he was doing. He told me "if you give me 50 or 100 right now I will unhook your car." I told him I did not have cash but had credit cards, he said he can't take that he needed cash so I told him this was extortion and I was going to call the police. As I proceeded to put my daughter in the car and call the police he knocked my phone out of my hand, grabbing me by the arm to stop me from bending down to pick it up and choked me and said "bitch you need to just pay what you owe the police are gonna be on my side." at this point my daughter is crying hysterically for him to stop. I started yelling and as he saw others watching he backed up and I hurried to get in the car grabbing my phone to call the police and locking my doors. he stood behind the car with his tow truck backed up to my car but not connected. When the police arrived they saw the bruising on my arms and asked me what I wanted to do I said I wanted to press charges, they indicated it was my word against the drivers (although I clearly have marks on my body).. I asked for a supervisor who came on the scene and once on the scene he indicated I could press charges and the driver would get a simple assault charge (no police report was taken or photos other than those I took were taken of my arm clearly showing red bruising up and down). The officers also talked to my four year old daughter who indicated to them what happened also. and told them she was scared for her mommy.

After sitting for some time so the officers could contact the owner of the lot at my request to let him know what happened they told me I would need to pay the 50 dollars, and asked me again if I wanted to press charges. I said yes, After indicating I wanted to press charges the tow driver decided he now wanted to charge me \$350 and he told the officers this. I asked the officers how they could allow this and they said I would need to sort it out in civil court they couldnt do anything about the extra charges at that time. One of the officers did indicate the tow driver told them his normal charge was \$299. I am so in shock that all of this happened in front of Milwaukee Police and they stood by and watched it take place. I am also in shock that after bringin up the ordinance so the officers can see it on my phone and clearly reading it was illegal to overcharge they allowed this to happen. The name of the towing company is MKE Junk Junkies and the tow driver was Anthony Booher.

I don't know if this will fall upon deaf ear but I thought I would try to see if someone would lead me in the right direction to get help and have my story heard. This was assault, extortion and very poor police work and I don't even know where to begin. I have no criminal record and have never been in the criminal justice system. I have only ever had a speeding ticket and I just don't know how, who or where to begin.

I hope you can respond,
