I. INTRODUCTION

A. Background

In 2006, the State of Wisconsin enacted Wis. Stat. §66.1110, a legislative declaration created to give Wisconsin municipalities (i.e., cities, villages, and towns) the power to establish one or more Neighborhood Improvement Districts (NIDs) within their community. An assessment methodology is developed to allow the assessable residential and commercial properties within the geographic area to contribute to programs aimed at neighborhood improvements and other activities as approved by the NID Board. The ACT was drafted similar to the business improvement district statute.

In 2016 the City of Milwaukee received a petition from property owners which requested creation of a Neighborhood Improvement District for the purpose of revitalizing and improving the Harambee neighborhood area on Milwaukee's near east side. Harambee Neighborhood Improvement District ("Harambee NID") was approved by the Common Council in December of 2016 by Resolution #160894. The NID law requires that every district have an annual Operating Plan to renew the Neighborhood Improvement District. This document is the proposed 2022 Operating Plan for Harambee Neighborhood Improvement District. The NID proponents prepared this Plan with technical assistance from the City of Milwaukee Department of City Development.

B. Physical Setting

The boundary for the Harambee Neighborhood Improvement District ("Harambee NID") encompasses the areas designated Capital Drive on the North, Center Street on the South, I-94 on the West, and Holton Street on the East, excluding properties including in the Historic Martin Luther King Drive Business Improvement District and the Riverworks Business Improvement District, see Appendix B, Map.

The area that is now the Harambee NID was originally settled by German Immigrants moving north from downtown. It was used as mostly farmland and vacation homes until being urbanized later. Since the 1930s, Harambee has been a hub for African American culture and heritage. Originally settled by German immigrants in the 1800s, the African American community grew over the years and reached its height by the 1970s. Harambee was particularly attractive to working class families because of the modest and tidy single-family homes and proximity to downtown.

In the mid-1970s, residents adopted the name Harambee, the Swahili word for pulling together. Harambee's organizing culture is rooted in the civil rights movement. During the 1970s and 1980s, the neighborhood became organized with over one hundred active block

clubs. Residents fought against school and housing segregation, and other forms of institutional racism and divestment facing their community.

Harambee has become a model for urban renewal as residents and community leaders' work together to reduce crime, develop state-of-the-art housing, bring social services and educational programs to the neighborhood, support a flourishing arts community, and provide healthy living options in the heart of the neighborhood. Now, the Harambee NID is home to several thriving businesses, organizations, and families.

The area is anchored by the Clinton & Bernice Rose Park and the new Beerline Trail Extension. Victory Garden Initiative, Groundwork MKE, and Teens Grow Greens provide urban agriculture programming in the area, together with other neighborhood organizations. Habitat for Humanity has constructed many homes in the area since 2007. The area is also home to the Martin Luther King Library, Hope Middle and High Schools, MLK Elementary School, Math & Science Academy, many more amenities.

C. Principal Office & Registered Agent

The Principal Office and Registered Office of the Harambee NID shall be Riverworks Development Corporation. 526 E Concordia Ave, Milwaukee, WI 53212. The Registered Agent of the Harambee NID shall be the Chair of the NID Board or assigned by the Board.

II. DISTRICT BOUNDARIES

Boundaries of the proposed district are shown on the map in Appendix B of this plan. A listing of the properties included in the district is provided in Appendix C. The description in Section I. B) is a general description of the boundary, the actual boundary is depicted on Appendix B and the actual properties included are on Appendix C. In the event of a discrepancy, Appendix C shall control. The Harambee NID may update Appendix C during each annual Operating Plan. The Boundaries are herein referred to as "Harambee NID Area."

III. PROPOSED OPERATING PLAN

A. Plan Objectives:

The objective of the Harambee NID is to (a) preserve and promote assistance to homeowners and home ownership, (b) create jobs in the area in order to eliminate blight, stabilize the housing stock, and otherwise enhance the Harambee NID.

B. Proposed Activities – 2022:

Principle activities to be engaged in by the district during 2022 operation will include:

1. Assistance to Homeowners, Investment Owners and Potential New Homeowners in the District:

- Continue operation of a grant fund (“Grant Fund”) to provide assistance to homeowners of single-family homes and duplexes in the Harambee NID Area to make modest grants to homeowners in the area to make the following improvements to their properties: energy efficiency improvements, repairs to increase water efficiency, repairs to the structural condition of the property (including roof repairs) and repairs to increase the curb appeal of property (“Improvements”).
- Starting in 2022, provide assistance to “Investment Owners” in “Good Standing” of single-family homes and duplexes in the Harambee NID Area to make modest grants to homeowners in the area to make the following improvements to their properties: energy efficiency improvements, repairs to increase water efficiency, repairs to the structural condition of the property (including roof repairs) and repairs to increase the curb appeal of property (“Improvements”).
- Starting in 2022, provide assistance to potential new homeowners in the Harambee NID Area, such as Down Payment Assistance.
- The criteria and types of the grants will continue to be modified by the NID Board to ensure accountability and utilization of the Grant Fund to ensure that the funds are meeting the needs to stabilize the housing market the Harambee NID Area.
- The Board of Directors of the Harambee NID may at any time amend the amount of each grant, the number of grants, and any qualifying criteria.

2. Job Development

- Improvements made through the grant fund must be made by pre-qualified contractors. In order to qualify, a contractor must be located in the City of Milwaukee and agree that 50% of the contractor’s workforce be from the Harambee NID Area for all improvements paid for from the Fund. The Harambee NID may accept a contractor’s Section 3 status in lieu of the 50% neighborhood workforce requirement. The Board of Directors of the Harambee NID may at any time amend this requirement to ensure accountability and utilization of the Grant Fund.
- Provide support to organizations doing Commercial Revitalization within the Harambee NID Area

C. Proposed Expenditures - 2022:

Proposed Budget attached as Appendix D. The Harambee NID Board shall have the authority and responsibility to prioritize expenditures and to revise the budget as necessary to match the funds actually available.

D. Financing Method:

It is proposed to raise approximately \$177, 300 through Harambee NID assessments (see Appendix C). Funds will also be pursued from foundations and other fundraising events. The Harambee NID may seek private financing for programming secured by this year's or future operating years of the Harambee NID.

E. Organization of NID Board:

Upon creation of the Harambee NID, the District shall hold annual meetings to elect directors to the District Board (the "Board") consistent with terms of this subsection and the bylaws of the Harambee NID. The Board's primary responsibility will be implementation of this Operating Plan. This will require the board to negotiate with providers of services and materials to carry-out the Plan; to enter into various contracts; to monitor development activity; to periodically revise the Operating Plan; to ensure district compliance with the provisions of applicable statutes and regulations; and to make reimbursements for any overpayments of Harambee NID assessments. State law requires that the board be composed of at least five directors and that all of the board directors be owners or occupants of property within the district. State law requires the local legislative body must set the time and place for a meeting at which directors of the board will be elected and shall publish a class 2 notice under ch. 985 that contains the information. The notice shall specify that all individuals who either own or occupy real property within the neighborhood improvement district are eligible to serve on the board and vote at the election. The Harambee NID Board shall be structured in accordance with the Bylaws, which is consistent with the following.

1. Board Size. The Board shall have at least 5 members, the exact number of which is to be determined by the Common Council of the City of Milwaukee.
2. Composition. All board members shall be owners or occupants of property within the district. The number of board members who represent commercial and residential properties shall be set as close as possible to the proportion of each type of property to the total assessed value of all property in the District. The Board shall elect its Chairperson from among its members.
3. Term. All directors elected to the Board shall serve for a period of one year. Directors may be re-elected.

4. Compensation. No compensation will be given to Board members for attendance at board meetings.
5. Meetings. All meetings of the Board's affairs shall be kept pursuant to public records requirements.
6. Staffing and Office. The Board may employ staff and/or contract for staffing services pursuant to this Operating Plan and subsequent modifications thereof. The Board may also maintain an office for the District, which shall be located within the District.
7. Meetings. The Board shall meet regularly, at least once every 3 months. The Board shall adopt rules of order (by-laws) to govern the conduct of its meetings.
8. Method of Electing Directors to District Board. An annual meeting at which directors of the Board will be elected shall be held on the second Saturday of March of each year in the District's existence. Prior to the meeting, the City shall publish a Class 2 notice that contains the time and place of the annual meeting. The notice shall specify that all individuals who either own or occupy real property within the District are eligible to serve on the Board and vote at the election.
8. Changes. Any change in the Board size, composition or election methodology must be approved by a 2/3 majority of the entire Board, subject to approval by the Common Council.

F. Relationship to other Organizations:

The Harambee NID may contract with outside organizations to provide services to the NID, in accordance with this Plan. Contracted organizations will be considered separate entities from Harambee NID, notwithstanding the fact that members, officers, and directors of each may be shared. Contracted organizations shall not be subject to the open meeting law, and not subject to the public record law except for its records generated in connection with the Harambee NID Board.

G. Ownership of Property:

The NID is not authorized to hold or own property.

III. METHOD OF ASSESMENT

A. Assessment Rate and Method

The principle behind the assessment methodology is that each property should contribute to the Harambee NID in proportion to the benefit derived from the Harambee NID. After consideration of other assessment methods, it was determined that for residential properties, the number of residential units was the characteristic most directly related to the potential benefit provided by the Harambee NID. For commercial properties it was determined that a flat fixed fee was most appropriate.

Therefore, a fixed assessment of \$50 per residential unit (\$100 for a duplex) for residential properties was selected as the basic assessment methodology for residential properties in the Harambee NID (“Residential Methodology”). In the event a property contains both residential units and a commercial use, the Residential Methodology shall apply.

Maintaining an equitable relationship between the Harambee NID assessment and the expected benefits requires an adjustment to the basic assessment method. To prevent the disproportional assessment of a small number of high value properties, a maximum assessment of \$500 per parcel will be applied.

As of January 1, 2021, the property in the proposed district had a total assessed value of approximately \$150,330,138 and approximately 2,189 parcels. In the Appendix under List of properties/assessment shows each property included in the district that are being assessed by the Harambee NID.

B. Excluded and Exempt Property

1. Property within the district that is exempt from general real estate taxes shall not be assessed.

IV. PLAN AND ORDERLY DEVELOPMENT OF THE CITY

A. City Plans:

- a. In February 1978, the Common Council of the City of Milwaukee adopted a Preservation Policy as the policy basis for its Comprehensive Plan and as a guide for its planning, programming, and budgeting decisions. The Common Council reaffirmed and expanded the Preservation Policy in Resolution File 6 Number 881978, adopted January 24, 1989.
- b. The Preservation Policy emphasizes maintaining Milwaukee's present housing, jobs, neighborhoods, services, and tax base rather than passively accepting loss of jobs and population or emphasizing massive new development. In its January 1989

reaffirmation of the policy, the Common Council gave new emphasis to forging new public and private partnerships as a means to accomplish preservation.

- c. The district is a means of formalizing and funding the public-private partnership between the City and property owners in the Harambee neighborhood and for furthering preservation and redevelopment in this portion of the City of Milwaukee. Therefore, it is fully consistent with the City's Comprehensive Plan and Preservation Policy.

B. City Role in District Operation

The City of Milwaukee has committed to helping private property owners in the district promote its development. To this end, the City expected to play a significant role in the creation of the Neighborhood Improvement District and in the implementation of the Operating Plan. In particular, the City will:

1. Provide technical assistance to the proponents of the district through adoption of the Plan and provide assistance as appropriate thereafter.
2. Monitor and, when appropriate, apply for outside funds that could be used in support of the district.
3. Collect assessments, maintain in a segregated account, and disburse the monies of the district.
4. Receive annual audits as required per sec. 66.1110 (4)(c) of the NID law.
5. Provide the board, through the City Assessor's Office on or before June 30th of each Plan year, with the official City records and the assessed value of each tax key number with the district, as of January 1st of each Plan year, for purposes of calculating the NID assessments.
6. Encourage the State of Wisconsin, Milwaukee County, and other units of government to support the activities of the district.

B. Petition for Termination of the NID

The City shall terminate the neighborhood improvement district if one of the following occurs:

1. The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan,

using the method of valuation specified in the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.

2. The owners of property assessed under the operating plan having an assessed valuation equal to more than 50 percent of the assessed valuation of all property assessed under the operating plan, file a petition with the planning commission requesting termination of the neighborhood improvement district.

3. The owners of property assessed under the operating plan having a valuation equal to more than 50 percent of the valuation of all property assessed under the operating plan fail to file a petition with the planning commission to continue the neighborhood improvement district within one year of the date on which the membership of the board changes from a majority which represents commercial properties to a majority that represents residential properties, or vice versa.

VII. FUTURE YEAR OPERATING PLANS

A. Phased Development

It is anticipated that the Harambee NID will continue to revise and develop the Operating Plan annually, in response to changing development needs and opportunities in the district, in accordance with the purposes and objectives defined in this initial Operating Plan. Section 66.1110 (6)(b) of the NID law requires the board and the City to annually review and make changes as appropriate in the Operating Plan. Therefore, while this document outlines in general terms the complete development program, it focuses upon Year Two activities, and information on specific assessed values, budget amounts and assessment amounts are based on Year Two conditions. Greater detail about subsequent year's activities will be provided in the required annual Plan updates.

In later years, the Harambee NID Operating Plan will continue to apply the assessment formula, as adjusted, to raise funds to meet the next annual budget. However, the method of assessing shall not be materially altered, except with the approval of the City of Milwaukee.

B. Amendment, Severability and Expansion

This Harambee NID has been created under authority of Section 66.1110 of the Statutes of the State of Wisconsin ("NID Statute"). Should any court find any portion of this Statute invalid or unconstitutional its decision will not invalidate or terminate the Harambee NID, and this Harambee NID Operating Plan shall be amended to conform to the law without need of reestablishment.

Should the legislature amend the Statute to narrow or broaden the process of a NID so as to exclude or include as assessable properties a certain class or classes of properties, then this NID Plan may be amended by the Common Council of the City of Milwaukee as and when it conducts its annual Operating Plan approval and without necessity to undertake any other act.

VII. Contraction with Harambee NID

Any contracting with the Harambee NID shall be exempt from the requirements of Sec 62.15, Wis. Stats. because such contracts shall not be for the construction of improvements or provision of materials. If the Harambee NID does contract for the construction of improvements or provisions of material, it shall follow the requirements of such statutes to the extent applicable. Further, the annual accounting required under Sec 66.608 (3) (c) Wis. Stats., shall be deemed to fulfill the requirements of Sec 62.15 (14) Wis.

Stats. The Harambee NID Board of Directors and the City of Milwaukee shall comply with the provisions of Sec. 66.60 before the City inserts assessments for this NID plan onto the tax bills for the parcels assessed thereunder, only to the extent required by law, to create a lien on the parcels assessed. The Harambee NID may provide grant support to organizations that include the cost of staff; however, the Harambee NID shall not have employees directly and shall contract with a responsible third party for any administration of grant funds.

DEAR NID #7

Dear Neighbors,

As I look back over 2020, my thoughts and prayers are with those suffering mentally, spiritually, and economically. I'm inspired and grateful to the countless residents and neighborhood businesses who went above and beyond to help other through these difficult times.

In 2020, our commitment to equity and justice was strong and our focus on homeowners and residents helped activate people, stabilize blocks, provided essential services, and promoted health and safety. For the past 3-years, the Harambee NID 7 has partnered with Riverworks Development Corporation to increase community prosperity, built strong public and private partnerships, hold property values steady, bring positive developments to the neighborhood, and seek better ways to improve the housing stock in the area.

The Harambee Neighborhood Improvement District (NID 7) continues to be at the forefront of providing quality services to residents and property owners. The NID 7 Board takes great pride in its achievements and accomplishments that it has made over the past several years and the NIB Board feels hopeful for the future. We believe in this area, the Harambee Neighborhood has an extremely bright and prosperous future ahead; so many creative entrepreneurs, new homeowners and new businesses have relocated into the neighborhood, bringing new life and energy.

I look forward to continuing working with the Harambee NID 7, the residents and the businesses as we continue to strengthen the housing stock and improve the quality of life for the Harambee neighborhood.

With Thanks and Gratitude,

Darryl Johnson
Riverworks Executive Director

ABOUT

WHAT IS A NID

Neighborhood Improvement Districts (NIDs) are quasi-governmental entities authorized by Wisconsin State Statute. NIDs assess a property tax to a limited geographic area in order to support development and restoration within its boundaries. In the Harambee NID, this assessment is \$50/residential unit per year. NID funds are overseen and dispersed by a Board of Directors. These directors are neighborhood residents and property owners who are elected at an annual meeting each March.

GET INVOLVED

- Come to a Board meetings and the Annual Meeting
- Run for a seat on the HNID Board of Directors
- Connect with the KASTF (Keefe Ave Safety Task Force, a resident-led initiative that identifies opportunities along this important corridor.
- Develop an idea for Community Improvement Projects to beautify your block
- Take part in our bi-annual housing surveys

BOUNDARIES

The Harambee NID includes residential properties between Center Street & Capital Drive and between Holton Street & I-43, EXCLUDING properties included in either the Riverworks BID or the Historic King Drive BID.

UNCERTAINTY & COURAGE

It was a year filled with uncertainty but also courage to continue servicing and purpose to increase resources which brought out the best in residents, staff and new leaders. From the beginning, we were determined to see that families would be able to be served during the pandemic with safety being our first priority. Our results in 2020 built upon the foundation of the last two grant funding cycles by focusing on responsible programing administrating from our board members and administrative agency. We have continued a strong track record of addressing the highest and the most expensive home maintenance project roof repairs. With three successful funding seasons behind us we are well-positioned to continue supporting more residents home repair projects, and all those we hope to serve, in 2021 and beyond.

INVEST

GRANTS AND FUNDING

The Harambee Neighborhood Improvement (HNID) provides grant opportunities to eligible homeowners to undertake needed repairs to their primary residence with a goal to eliminate blight and stabilize property values. A matching grant between \$500 and \$7,500 is available for properties that are owner occupied. Property owners are responsible for project cost over \$7,500. The HNID will assist with financial contributions of applicants who qualify based on HUD County Median Income Eligibility Guidelines.

In addition to the Harambee NID Grant, we actively work to connect residents to other alternative funding sources for home repairs provided by the City of Milwaukee. Those grants can be used for roof repair, window replacement, furnace and water heater upgrades, and much more.

APPLICATION PROCESS

Each resident interested in receiving a home repair grant from the NID can fill out the application available online at or at Riverworks offices. Because a new Board of Directors is elected each year at the Annual Meeting, the overall process and repairs available through the grant are subject to change. To stay current, please regularly check the website <https://www.riverworksmke.org/neighborhood-development> or call or email Clarissa Morales (414)882-7434 clarissam@riverworksmke.org (Se Habla Espanol)

Every year new recipients qualify for the Harambee Neighborhood Improvement Grant. The map to the right shows all the completed projects since the NID was initiated in 2018.

PRESERVING, PROMOTING & PROTECTING

As we start to recover from the effects of the beginning of the pandemic our goal will be to expand our impact of resources for household families, support pathways to increasing new homeowners and find ways to support investment opportunities in increasing quality and affordable housing units. Seizing this moment to work collectively with current proposed collective action plans in the City towards preserving, promoting and protecting the production of housing will help build tri-sector relationships and solutions to lead us to a faster recovery. This is core to how we revitalize our neighborhood, drive homeownership, protect and build investment opportunities. We believe we must continue to deliver these strong results and help make progress on advancing racial equality for more Milwaukeeans!

QUALITY

CPTED

The KASTF along with MPD, Safe and Sound and conducted a neighborhood walk known as Crime Prevention Through Environmental Design or CPTED (pronounced sep-ted) is a strategic crime prevention urban design practice which aims to reduce and deter criminal acts. CPTED suggests that the design of buildings, landscaping and outdoor environments can either encourage or discourage crime. CPTED attempts to minimize crime and the fear of crime by reducing criminal opportunity and fostering positive social interaction among the users of a space.

HARAMBEE HOUSING SURVEY

Every year, the Harambee NID staff, with a team of volunteers, conducts a neighborhood housing survey. This survey documents quality and condition of various aspects of Harambee homes, from roofs, siding, entryways, windows and more.

These surveys allow us to track the condition of home across the neighborhood overtime, as well as identify property owners who do or do not take care of their property and lastly, it creates new opportunities for homeownership in the neighborhood through market sales or in partnership with other nonprofit organizations. By surveying the neighborhood housing stock, we are able to identify if poorly-maintained properties might need access to resources or if property owners might need to be held accountable.

KASTF

The Keefe Ave Safety Task Force (KASTF) is a neighborhood partnership with residents, Milwaukee Police Department, Safe and Sound and the Harambee NID #7. Prior to Covid-19, the KASTF met once a month to discuss neighborhood safety issues. With the pandemic, the Task Force has limited its meetings, but was able to initiate the RING Camera Project, a coordinated effort to bring RING Cameras to residents who have been burglarized or faced other criminal activity around their home. Cameras are set to be installed in early 2021.

GROWTH

HABITAT FOR HUMANITY

Habitat does not give away free houses. Habitat offers low interest rate mortgages and affordable homeownership opportunities. A future homeowner must show that they have a need for housing, are willing to partner with Habitat for Humanity and are able to pay for a Habitat mortgage.

Qualifying homeowners help build their brand new or renovated homes while participating in financial education and home maintenance courses provided by Milwaukee Habitat. We also offer an Affordable Mortgage Program for families interested in purchasing a home on the open market. In addition to homeownership opportunities, affordable home repairs are available for existing homeowners.

The new house, I (pictured on the right) located at 3455 N. 3rd St., is one of 80 the organization plans to build in the Harambee neighborhood over the next four years.

Each of the houses will be two stories tall with three to four bedrooms and 1,200 to 1,400 square feet of living space. Qualifying applicants, who must undergo a financial counseling process and participate in the construction, will pay a mortgage of between \$500 to \$800 per month.

The goal is to create a supply of owner-occupied, affordable housing in a neighborhood that currently only has a 22% homeownership rate and is marred by vacant lots and a housing stock in need of repairs. The median household income is \$19,300.

FROM THE NID CHAIR

To our Residents,

It was a year filled with uncertainty but also courage to continue servicing and purpose to increase resources which brought out the best in residents, staff and new leaders. From the beginning, we were determined to see that families would be able to be served during the pandemic with safety being our first priority. Our results in 2020 built upon the foundation of the last (2) grant funding cycles by focusing on responsible programming administrated from our board members and administrative agency. We have continued a strong track record of addressing the highest and the most expensive home maintenance project roof repairs. With (3) successful funding seasons behind us we are well-positioned to continue supporting more residents home repair projects, and all those we hope to serve, in 2021 and beyond.

As we start to recover from the effects of the beginning of the pandemic our goal will be to expand our impact of resources for household families, support pathways to increasing new homeowners and find ways to support investment opportunities in increasing quality and affordable housing units. Seizing this moment to work collectively with current proposed collective action plans in the city towards preserving, promoting, and protecting the production of housing, will help build tri-sector relationships and solutions to lead us to a faster recovery. This is core to how we revitalize our neighborhood, drive homeownership, protect and build investment opportunities. We believe we must continue to deliver these strong results and help make progress on advancing racial equality for more Milwaukeeans!

A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. NOTE A - Summary of Significant Accounting Policies

Organization

Harambee Neighborhood Improvement District (the Organization) is organized for the purpose of providing owner-occupants and neighborhood-based homeowners of the Harambee NID funds in order to conduct essential repairs to their homes and provide local jobs with the goal of stabilizing property values and home ownership in the defined area, with the goal of full occupancy.

The Organization is exempt from tax as an affiliate of a governmental unit under Section 501(a) of the Internal Revenue Code.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Accounting Method

The financial statements of the Organization have been prepared on the accrual basis of accounting.

Cash and Cash Equivalents

For purposes of the statement of cash flows, cash and cash equivalents include all highly liquid debt instruments with original maturities of three months or less when purchased.

Contributions and Grant Revenue

Contributions received and unconditional promises to give are measured at their fair values and are reported as increases in net assets. Contributions are considered available for the Organization's general programs unless specifically restricted by the donor. Contributions received with restrictions that are met in the same reporting period are reported as revenue without donor restrictions and increase net assets without donor restrictions. Conditional promises to give are not recognized until they become unconditional. A conditional contribution is one that has both a barrier that must be overcome and an agreement requiring advance payment to be returned or future payment not to be obligated when the barrier is not overcome. Amounts received for which the donor has limited the use of the asset or designated the gift as support for future periods are considered restricted support and included in net assets with donor restrictions. When a donor restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. When the restriction on a contribution is met in the same reporting period as the contribution is received, the contribution is reported in net assets without donor restrictions.

Contributions of assets other than cash are recorded at their estimated fair value at the date of the gift. Donated services are recognized as contributions if the services create or enhance nonfinancial assets or the services require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. Accordingly, the value of contributed time that does not meet these requirements has not been determined and is not reflected in the accompanying financial statements.

NOTE A - Summary of Significant Accounting Policies (continued)

Functional Expenses

The Organization allocates costs directly to program, management, or fundraising when appropriate. Certain expenses are attributable to one or more programs or supporting functions of the organization. Those expenses include salaries and employee benefits which are allocated based on estimates of time and effort.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - Future Accounting Pronouncements

Accounting Standards Update 2020-07, Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets (Topic 958) will be effective for fiscal years beginning after June 15, 2021. The amendments in this update are required and provide new presentation and disclosure requirements about contributed nonfinancial assets to nonprofits, including additional disclosure requirements for recognized contributed services. Contributed nonfinancial assets will be required to be reported as a separate line in the statement of activities. A financial statement note will be required to provide disaggregated contributed nonfinancial assets by category including: the type of contributed nonfinancial asset; qualitative information about the monetization or utilization of the nonfinancial assets; the policy about the monetization or utilization of nonfinancial assets; a description of restrictions, valuation, and the market used to determine the fair value. The amendments, required to be presented retrospectively to all periods presented, will not change the recognition and measurement requirements for those assets.

Accounting Standards Update 2016-02, Leases (Topic 842) will be effective for fiscal years beginning after December 15, 2021. This update requires the recognition of lease assets and lease liabilities on the statement of financial position measured at the present value of lease payments and requires disclosure of key information about the leasing arrangements.

Accounting Standards Update 2020-08, Receivables – Nonrefundable Fees and Other Costs (Topic 310-20) will be effective for fiscal years beginning after December 15, 2021. The amendments in this update represent changes to clarify the codification. An organization shall apply the amendment prospectively. This amendment impacts the effective yield of an existing individual callable debt security.

NOTE B - Future Accounting Pronouncements (continued)

Accounting Standards Update 2016-13, Financial Instruments - Credit Losses (Topic 326) will be effective for fiscal years beginning after December 15, 2023. The main objective of this update is to provide financial statement users with more decision-useful information about the expected credit losses on financial instruments and other commitments to extend credit held by a reporting entity at each reporting date. To achieve this objective, the amendments in this update replace the incurred loss impairment methodology in current GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates, including exploring more forward-looking alternatives.

NOTE C - Comparative Financial Information

The financial information shown for 2019 in the accompanying financial statements is included to provide a basis for comparison with 2020. The comparative information is summarized by total only, not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity to accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with the Organization's financial statements for the year ended December 31, 2019, from which the summarized information was derived.

Certain amounts in the 2019 financial statements have been reclassified for comparative purposes to conform to the presentation in the 2020 financial statements. Net assets and changes in net assets are unchanged due to these reclassifications.

NOTE D - Liquidity

As of December 31, 2020, the Organization had cash and cash equivalents on hand of \$20,111 and accounts receivable of \$2,500, which represent approximately two months of total expenses.

NOTE E - Concentration of Risk

The Organization receives property tax assessment income and grants from the City of Milwaukee. The Organization's operations rely on the availability of these funds. Substantially all (99%) of the Organization's revenue was from the City of Milwaukee for the year ended December 31, 2020.

HARAMBEE NEIGHBORHOOD IMPROVEMENT DISTRICT
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2020
(See Accountant's Review Report)

NOTE F - Assessment Income

In order to provide revenues to support the Organization's mission, the Common Council of the City of Milwaukee enforced an assessment on property located within the Harambee neighborhood. The assessment is \$50 per residential unit (\$100 for a duplex), with a maximum assessment of \$500 per parcel.

NOTE G - Management Arrangement

Under an arrangement with the Riverworks Development Corporation, the Organization is provided with office facilities, administrative support, and other overhead-related costs. For the year ended December 31, 2020, administrative fees were \$38,000 and accounting fees were \$2,100.

NOTE H - Subsequent Events

The Organization evaluated subsequent events and transactions for possible adjustments to the financial statements and disclosures. The Organization has considered events and transactions occurring after December 31, 2020, the date of the most recent statement of financial position, through April 23, 2021, the date the financial statements are available to be issued, and determined there were no events that needed to be disclosed.

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings of many businesses and nonprofit organizations. While the disruption is expected to be temporary, there is considerable uncertainty around the duration of the closings. The Organization, or its partner organization, Riverworks Development Corporation, may experience reduction in tax assessment or donation/program revenue in the future. It is unknown at this time what, if any, negative impact on the Organization's financial position may be.
