C.I. File No. 01-S-27

I am appealing your decision (letter dated Sept. 24, 2001 enclosed)
In regard to accident involving manhole cover 2200 W. Layton Ave.

I'm not sure I understand your problems with the manhole cover that was tipped up
when I hit it on 2200 W. Layton Ave. . From your letter it sounds like you did have
a problem with it.

All I know is that I hit the manhole cover that was tipped up and it ripped my tire
to shreds almost causing me to hit another car.

The police officer was in the vicinity and came right away. They barricaded the hole
immediately. The officer said the road was just recently opened after re-paving.

Because of the tremendous impact on my car 1991 Jeep, I had it towed to Braeger on
South 27th street, to check out if ther was any other damage (see bill enclosed)

The police officer was.....Al Frailex - Squad 64 - 6th Precient
He was on the scen immediatley and can varify the situation.

I feel the city of Milwaukee is responsible for the bill of 424.49 which is the
exact bill from Braeger. I'm not even charging for the inconvienece of being without
a car for several days and trying to get to work.

I look forward to hearing from you.
