The Honorable
Members of the Zoning, Neighborhoods and Development Committee

Honorable Members:

Pursuant to s. 295-307-7-b of the Milwaukee Code of Ordinances, the Zoning Code Technical Committee, on April 30, 2014, reviewed Common Council File Number 131791, an ordinance relating to zoning regulations for satellite dishes.

Based on this review, the Committee found as follows:

- With respect to legality and enforceability, the proposed ordinance meets this standard.
- With respect to administration efficiency, the proposed ordinance meets this standard.
- With respect to consistency with the format of the zoning code, the proposed ordinance meets this standard.

However, the City Attorney's representative on the Committee indicated that a sufficient legislative record should be developed either in committee testimony or in written form to establish the need for this ordinance.

Respectfully Submitted,

Teodros W. Medhin, Ph.D.
Chair, Zoning Code Technical Committee
