4TH ALD. DIST. - FILE #010710
REMOVE PARKING RESTRICTIONS
VARIOUS LOCATIONS IN
THE 4TH ALDERMANIC DISTRICT

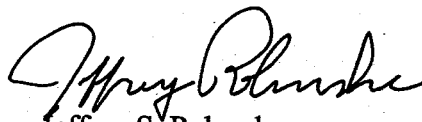

Dear Alderman Henningsen:

As part of our on-going review of parking regulations in the City of Milwaukee, we have discovered that the ordinances for several parking restrictions are no longer needed. Since the signs have been removed, we recommend that the ordinances be repealed. The changes we propose will only correct City ordinances and will not affect field signing, nor have any effect on your constituents.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting to remove the following restrictions:

1. North 5th Street from West Michigan Street to a point north - No Parking
2. North 10th Street from West Highland Avenue to West Juneau Avenue - No Parking
3. North 15th Street from West Wisconsin Avenue to West Clybourn Street - Three Hour Parking

Very truly yours,

Jeffrey S. Polenske
City Engineer

Honorable Angel Sanchez

12TH ALD. DIST. - FILE #010710
INSTALL NO PARKING ON THE
NORTH SIDE OF WEST SEEBOTH STREET
FROM SOUTH 2ND STREET WEST TO THE ALLEY

Dear Alderman Sanchez:

This is in response to a request we received from Mr. Dennis Stefanik of Milwaukee Metropolitan Sewerage District to install the above-captioned parking restriction.

Our traffic engineering staff has investigated this request and found that currently there are loading docks located on the south side of the street, and when large trucks are loading at the docks and vehicles are parked on the north side of the street, vehicular access is reduced. We, therefore, recommend the installation of the above-captioned parking restriction that would provide two-way traffic flow.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
