Dear City Clerk;

Enclosed is a copy of my bills I would a refund soon!

This is in regards for me to get a new rim
for my 98 Dodge Avenger in amount of \$132.00
plus 17.25 to have my tire mounted and balance.

The rim was brought at Hubcaps Unlimited
4262 S. Howell Ave, Milw, Wisc 53207. And

Body Tann, Inc. for mounted + balance at the
address of 980 W. E. Oklahoma. This was all done
on Dec. 11, 2001.

What as happen I was coming back from
the airport going north on Howell Ave at around
7:10 PM on Mon Dec. 10, 2001. There was no
sign or anything saying a bump or deep hole in
road. My car bottom out as I went over the
hole in road at Howell going north on the right
side of street is Air Wisconsin Corp. That's where
the deep hole is On the other side of street is
Denny's Restaurant. I have 2 people in my car
plus myself who can witness what happen
The place where I get my rim at one of salesperson hit
that same spot the same day too, but he had a truck
The next day on Dec. 11 late afternoon it was fill in
with black top. But after I call Contact 6 I want a refund
