

March 19, 2004

To the Honorable
Common Council of the
City of Milwaukee
200 East Wells Street

Dear Common Council Members:

Common Council File No. 031312 is regarding approval of the Fond du Lac and North Neighborhood Comprehensive Plan (“the Plan”). Such Plan contains a land use policy on Page 85 under Section 3.5(A), which states, “Public and private uses may be combined within neighborhood parks when it serves the broader interests of the neighborhood. When possible and appropriate, displaced park space should be replaced within the neighborhood.”

This land use policy was discussed at the March 16, 2004, Zoning, Neighborhoods and Development Committee meeting and the Department of City Development would support the Common Council’s decision to either include or delete the subject policy.

Sincerely,

Patricia S. Algiers
Commissioner
