LICENSED PREMISE REPORT

Medel, Juan J 028796

04/29/2023

This report is written by P.O. Juan J. MEDEL, assigned to District Five, Late Shift.

On Saturday April 29, 2023, Squad 5320 (P.O. Luis MENDOZA and I, in full Milwaukee Police Department uniform, while in a marked MPD squad car (#532), while wearing our department issued Axon Body

Case #:231190033

OtherEvent #: 23-LP-1505

Worn Cameras) was dispatched to an Arm-Robbery Complaint.

Officers were advised by the victim that a known actor, intentionally and without consent, while armed with a pocketknife, forced her out of her vehicle. The suspect then fled in her vehicle. It should be noted that after taking the initial report at 4076 N Elmhurst Rd, we then changed location to where the incident occurred, 2627 W Capitol Dr.

At approximately 7am I was able to review surveillance video of the incident in the parking lot of the Citgo Gas Station. In the video I observed a white Kia pull into the parking lot at approximately 2:20 am and observed JONES and BOLDEN inside the vehicle to what appeared them talking. A couple minutes later the white Kia was shaking violently consistent with the victim's statement of JONES putting his hands on her and pulling on her hair. I then observed JONES exit the passenger side door where he was seated in the vehicle with what appeared to be a shiny object in his right hand. BOLDEN stated JONES had pulled her out of the vehicle with her pocketknife in his right hand. It should be noted I notified P.O. MENDOZA however I mentioned JONES pulling BOLDEN by the hair out of the driver seat but not through the passenger side of the vehicle. In the video I observed JONES drag BOLDEN by the hair around the front of the Kia followed by JONES tossing BOLDEN into the middle of the parking lot and dumping what appeared to be BOLDEN'S purse. I then observed JONES go to the front of the vehicle, pick up an item and enter the driver side of the vehicle. At this time, I observed BOLDEN run around the rear of the vehicle and attempt entering the rear passenger side door. JONES is then observed reaching over the driver side of the vehicle to close the front passenger side door. BOLDEN is then observed to be exchanging words with JONES as JONES attempts to operate the vehicle with BOLDEN partially out of the vehicle before BOLDEN exits the vehicle. I then observed JONES operate the vehicle out of the gas station at a high rate of speed heading towards the north side of the parking lot. BOLDEN stated she did not recall what direction of travel was taken by JONES. It should be noted the whole 15 minute altercation was captured on video.

End of report.
