This report is written by Police Officer Xavier Benitez, assigned to the License Investigation Unit, Days.

The Milwaukee Police Department's investigation regarding this application revealed the following:

1. The applicant is on parole. Email Notification to the Wisconsin Department of Corrections on 05/08/23 requesting they provide information to the License Division regarding the probation/parole status and the end date of the status.

Wisconsin Department of Corrections

Division of Community Corrections | Region 3 Office

Date: May 9, 2023
To: Milwaukee Common Council/Licensing Division
From: Department of Corrections/ Division of Community Corrections

It was brought to my attention that a client under our supervision, Jimmie Williamson, has applied for an Operator's D License from the City of Milwaukee. Client Jimmie Williamson is currently on a parole and extended supervision term that is scheduled to discharge on 01/24/2027 for the offense of 98CF6076- 1st Degree Reckless Injury and 1st-Degree Recklessly Endangering Safety (2cts)/ 02CF4225- CONTR SUB-INT TO DEL.

This letter is to inform you that such a licensure would not be in violation of their rules/conditions of supervision. If circumstances change, we will take measures appropriately, including action that may affect such licensure. We made this decision based in part, on the following information:

A - Residence Stability: Client has maintained residence stability **Yes**.

B - Reporting History: Client has maintained required contacts with agent **Yes**.

C - Police Contact: Client has had police contact while on supervision **Yes**.

Mr. Williamson reported police contact in February of 2014. He reported his girlfriend's daughter was in an altercation with another woman and the police were called. He also reported police contact in March of 2014. Mr. Williamson was involved in a minor traffic accident and received a ticket for following too closely.

D - Overall level of cooperation: has client complied with referrals and services designed to address criminogenic needs **Yes**.

****** DCC recommends license not be granted due the following: (check one)**

- * ☐ License/employment has a direct nexus to committing offense. _
- * ☐ License/employment would have a negative impact on the client based on specific treatment needs. (HIPPA prohibits the disclosure of specific treatment needs)
- * ☐ Sex offenses.

In providing the information within this letter, the Department of Corrections assumes no liability for the Council's reliance on such information.

Sincerely,

Jodi Smith
