Dear Hon. Langley,
I am writing to acknowledge your letter denying my claim. The letter came in my absence while I was on vacation.

Sir, I intend to appeal your decision, but because of limited time, I ask that you extend my appeal period. Would you please allow me more time to initiate the appeal process.

Thank you in advance for giving my request your fullest considerations.

Truly yours

Ref: Claim against the City of Milwaukee

Dear Sir/Madam:

My name is Abdoul D. Sillah. Currently residing at 9153 N. 60th Street, Brown Deer, WI. 53223, telephone number: 414-365-2581. I declare the following statement as a claim against the City of Milwaukee: On July 27, at approximately 1:00 PM, my right front tire was smashed at a construction sight at 4820 West Lisbon Avenue. A fairly large hole was dug in the right lane of the street at the above location by some city workers who forgot to put a barricade around the hole.

I brought the matter to the attention of police officer David ~~Brotlund~~ Brotlund at the 3rd District police station. He visited the sight and reported the matter to the city. It was brought to his attention that other motorists had already made similar complaints about the same sight. He advised me to take the matter up with the city, since it was not a police case.

Enclosed is a handwritten address and name of the officer. Also enclosed is the replacement estimate of my tire.

Please investigate my ^(claim) case and take the necessary action. You can contact P.O. Brotlund at the 3rd District at: 414-935-7232; 4PM → 12AM.

Thank you in advance. Yours, Abdoul Sillah
