Project/Program Title: City of Milwaukee's ShotSpotter Expansion Project Program

Grantor Agency: The Wisconsin Department of Justice

Grant Application Date: N/A

Anticipated Award Date: June 15, 2017

Please provide the following information:

1. Description of Grant Project/Program (Include Target Locations and Populations):

Research has shown that only approximately 14% of shots fired incidents are actually reported to the police department. The purpose and goal of this continuing program is to have the ShotSpotter system provide real-time data relative to actual shots being fired to assigned monitoring department personnel.

2. Relationship to City-wide Strategic Goals and Departmental Objectives:

It is the mission of the department to decrease injuries and/or fatalities by rapidly responding to the area of the detected shots, which will allow officers to take necessary action and investigative efforts.

3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):

This system will allow police department analysts the ability to better track overall shots fired incidents, conduct better predictive analysis, and allow for the most cost effective and expeditious method relative to the deployment and redeployment of police resources based upon the data findings.

4. Results Measurement/Progress Report (Applies only to Programs):

N/A

5. Grant Period, Timetable and Program Phase-out Plan:

July 1, 2016 – June 30, 2017
