RE: 2023 Environmental Justice Government-to-Government Program (EJG2G) Healthy Homes & ECO Neighborhoods project seeks to expand awareness of and access to local and statewide housing improvement programs and federal funding sources through collaborative outreach.

Dear Mia Rudolph-Schulta:

Congratulations! Your organization has been selected to receive an EPA award under the FY 2023 Environmental Justice Government-to-Government Program (EJG2G) (opportunity # EPA-R-OEJECR-OCS-23-02). Please note that this is NOT an official award document, and only EPA's Office of Grants and Debarment can issue an award offer to you. If you wish to be considered for award, you are required to do the following:

**Workplan Negotiation Discussion:** During the next few weeks, your assigned EPA Project Officer will have one-on-one discussions with your organization via conference call, Zoom, or Microsoft Teams. During these calls we will go over your budget, workplan, performance measures, and activity timeline. You will be contacted shortly to set up the date and time for the initial discussion. It may be necessary to have multiple calls to finalize negotiations.

Failure to respond timely during the negotiation period may result in your project no longer being considered for an award.

If you have any questions, please feel free to contact **Emma BuzECKy** at [buzECKy.emma@epa.gov](mailto:buzECKy.emma@epa.gov) or 312-353-7625.

Regards,  
Omari Burrell
