To the Public Works Committee

Subject: Common Council Resolution File Number 130933

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 130933, being a resolution to amend a special privilege to MillerCoors LLC for addition of an underground conduit for the premises at 3939 West Highland Boulevard.

In 2008, the City of Milwaukee Common Council granted permission to the applicant to keep and maintain a trench drain, bollards, an underground electrical conduit, and an underground duct package in the public right-of-way. The current request is for installation of a new duct package consisting of one 1 ¼-inch diameter PVC conduit and one 1-inch diameter PVC conduit. The new duct package crosses under North 38th Street at a point approximately 226 feet north of the northline of West State Street.

We are not aware that the presence of said items have had or will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said items to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

Ghassan Korban
Commissioner of Public Works

Art Dahlberg
Commissioner
Department of Neighborhood Services

MDL:clm

Attachment.

c: Alderman Russell Stamper, II
