1 **AN ACT to create** 165.85 (4) (a) 7. d. and 165.85 (4) (em) of the statutes; **relating**
2 **to:** crisis training for law enforcement officers.

Analysis by the Legislative Reference Bureau

Under current law, Wisconsin law enforcement officers, other than sheriffs, are required to complete a preparatory training program consisting of 600 hours of training, and recertification training consisting of 24 hours of training per year. As part of ongoing recertification training, an officer must complete at least four hours of police pursuit training biennially, and an annual handgun operation qualification course. This bill requires that each Wisconsin law enforcement officer also complete as part of his or her recertification training at least four hours of crisis management training on a biennial basis, which would count towards the officer's annual 24-hour recertification training requirement.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
