RE: Denial of a Certificate of Appropriateness for round, prefabricated vinyl posts on the porch at 2908 W. McKinley Blvd.

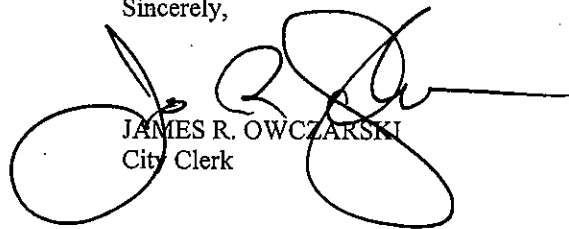

Dear Mr. Thurman:

Your application for selected porch repair work on your property was granted by the Historic Preservation Commission on Monday, October 19th; however, your application also included the using of round, prefabricated vinyl posts, which the Commission denied as part of its motion.

You can appeal the Commission's denial of the posts to the Common Council by filing a written request with the City Clerk by November 11th. The City Clerk shall file the request to appeal with the Common Council at the next regularly-scheduled meeting of the appropriate Common Council committee

If you have any questions relating to the appeal process, please contact Linda Elmer at 414-286-2231.

Sincerely,

JAMES R. OWCZARSKI
City Clerk
