Hi Marissa,

Yes, that is the correct location. I put in a verbal objection from another constituent recently as well.

I left a VM for the District Manager at the time too but have not yet heard back. I will follow up with him again shortly.

Jumaane: Could DNS please investigate the complaints highlighted below (trash strewn about property, exposed wires on electrical box) and report back with findings?

Just to verify, this is for the Speedway at 1300 W College? Just want to make sure I get this on the correct record.

Also as a note, it seems like DNS did not inform you of Mike Tonelli's departure. Mike left DNS a few weeks ago and is now with the Health Dept. Our new contact is Danae Lindsay in addition to our existing contacts of Melissa O'Neill and Jumaane Cheatham.

Once I have confirmation of the address, I can loop Danae in to get this going with DNS.

Thank you for reporting this,

We need them to clean up their property asap or risk their license.

Also talk to our contact in the regional management of Speedway.

Also, who do we contact about the current speedway property conditions? Trash all over lawn and street, smoking parties (not employees) in their gated trash area and exposed wires on some sort of electrical box on their corner lawn of 13th Granada. I actually witnessed three unkept people laughing at a bearded guy trying to light a cigarette on the wires! This has to be looked into. I appreciate your immediate attention

Hazmat at Maitland for DV episode that led to sheriff's finding jugs of chemicals, proly for campfires, and encampment area. We smell fires every night, hoping they are in home fireplaces, probably will turn into a Maitland Park uncontrolled fire. Rangers coming in to move them, supposedly. This is not only ridiculous, but dangerous! We have kids, and dog walkers that are in jeopardy. Ugh

On Mon, Nov 11, 2024 at 10:43 AM,

Tonight, at 6:15pm I hear arguing outside, even tho Windows and doors are closed. I opened the front door cuz my 90 mil is resting in our living room and she thinks there is an emergency. The unknown individuals are pushing and yelling at each other. I asked if everything is ok? They replied non a your business. I replied, yes it's my business cuz you're my lawn, which is my property. They called me a bitch and moved on. These are obviously not residents of this neighborhood!

I request some kind of help for the taxpayers of this area!

And check out the trailers parked illegally on South 13th street.

And the homeless guy peeing, in the open on speedway property, with his penis hanging out.

And the family of four that sleep in the speedway bushes.

And the four empty bottles thrown in my flower garden.

LICENSED PREMISE REPORT

Locicero, Nathan G 029205

05/25/2024

This report is written by Officer Nathan LOCICERO, assigned to District Six, Late Shift.

On Saturday, May 25, 2024, I squad 6350 was dispatched to 1300 W. College Ave (Speedway) for a theft complaint.

Upon arrival, I made contact with the caller/employee Escanor UCHIHA, who stated two subjects, one white male and a white female took donuts and left the location passing the last point of purchase and left south on w. College Ave. UCHIHA did not know who these individuals are and has never seen them before. UCHIHA showed me a picture of the subject from his personal phone from approximately five hundred feet away and I could not make out with a good description. UCHIHA did not know how much merchandise was taken and informed me to come back in the morning so the manager could review video surveillance.

At approximately 7:15am on May 25, 2024, I return to location and spoke with the manager, who stated the video surveillance could not provide a better description and the subject took approximately ten dollars of merchandise of unknown number of donuts.

While on scene, I observed the licenses posted and they were up to date. During my investigation for a theft complaint, I did not observe any violations in the licensed premise.

This concludes my report.

This report is written by P.O. Daniel SIDA, assigned to District 6, Early Shift, Sq 6250.

On Wednesday, July 24th, 2024, I was dispatched to 1300 W College Av in the City and County for a robbery report.

Upon my arrival, I spoke with both employees on scene who were present when the robbery occurred, Glenda L ISAAC-FERNANDEZ (h/f, 08-08-1977) and Argelys J MARTINEZ-PELLOT (h/m, 11-19-1996).

ISAAC gave me a description of the suspect and detail of the robbery (implied weapon and clothing description as well as vehicle involved). Due to the incident being a robbery investigation, five squads responded to this location (Sq 6221, 6232, 6233, 6280, and 6290) one supervisor (Sq 6217) and one CIB squad (Sq 9268). The business was cooperative during our investigation. The business had no security officers on scene.

Video surveillance footage was provided to CIB. The footage showed the actor enter the east doors, walk to the front counter and demand money from MARTINEZ who was at the register at that time. Video from another gas station was recovered by F.I. Brian MILLER (see his report if he recovered from Speedway) and uploaded to AXON, which shows the suspect vehicle.

While on scene, I did not observe the licenses posted. During my investigation for robbery I did not observe any violations in the licensed premise.

End of report.

I later spoke to licensed premise manager, Justin JACAK (W/M 04/25/1995) who was not on scene at the time of the incident but was made aware of the incident and came to the location in order for us to obtain video footage of the incident. JACAK stated that he believes one of the suspects is in the location often and believed his first name was Roy.

This report is written by PO Amna OZEGOVIC, assigned to District Six, Early Shift, Squad 6252.

On Saturday, January 25th, 2025, at 5:10 PM, I was dispatched to 1300 W College Ave, for an Abduction complaint, along my partner John Neuburg (Both in full Milwaukee Police department issued uniforms equipped with Axon Body camera activated and in a marked squad).

Upon my arrival I observed Speedway gas station business running as usual, I did not observe anything out of the ordinary.

I spoke to the caller, identified as HOGLAN Dana (W/F, 08-09-1980). HOGLAN stated she was working at the register when she observed a female walk into the gas station. HOGLAN described a female as a 5'6", slim build, in her thirties, wearing a black coat, with the hood up and blue jeans. HOGLAN stated that the female subject walked in and stated she was going to hide in the bathroom. The female then stated: "I am trying to hide from him." The female purchased a pack of cigarettes using a cash app. The female then went to the bathroom. Approximately a few minutes later a Black male subject walked inside of the gas station, stood by the bathroom when the female subject walked out. The male then grabbed the female around her waist and carried her outside into the vehicle. Two subjects went in unknown direction.

There were no other witnesses at the scene.

Squads 6230 and Squad 6281 saturated the area. Upon the investigation being completed, the victim in this case was located. The victim stated she was not taken against her will and was not in any way in danger. The victim stated she was not injured and did not need police assistance. The victim stated she was with her boyfriend, did not fear for her safety.

The business was *cooperative* with the investigation. The business did not have security officers on scene.

I reviewed video surveillance footage. The footage was not uploaded to the Evidence.com

The case was found to be baseless.

While on scene, I observed the licenses posted and they were up to date.
