Historical Gutter application outline:

All sections or runs outlined in yellow signify where the gutters and downspouts will be fastened. Red outlines where the gutters and downspouts will NOT* be installed. All normal eaves which are not dormer eaves will receive gutters and downspouts.

SEE PICTURES BELOW THIS SECTION:

ALL eaves with Yellow highlights will receive gutters. Any eaves with a red indication will NOT* receive gutters or downspouts.

DORMER will not receive gutters or downspouts.

Highlighted Yellow will be where gutters and downspouts will be positioned.

All eaves attached to the outlined eave on this lower level section will receive gutters. One total downspout on affected section of house.
