**File No: 121264 Communication regarding UnitedHealthcare (UHC)**  
**Health Management Programs**

Dear Alderman Murphy and Finance Committee Members:

The City of Milwaukee in cooperation with UnitedHealthcare has been providing a number of Health Management services to City employees and retirees. This communication at the March 14, 2013 Finance and Personnel Committee meeting will provide an opportunity to update the Committee on those services. This will include a short power point.

From 2008-2011 UHC provided their UHC insured HMO to the City. Since 2012 UHC has administered a self-funded EPO and a self-funded PPO to the City.

Dr. Bruce Weiss, MD MPH Regional Medical Director for UHC and Susan Bridges, Strategic Account Executive for UHC will join me in making a presentation to the Finance and Personnel Committee.

Thank you for providing us with an opportunity to share this information with you and respond to your questions and comments.

Sincerely,

Michael Brady
