Regarding: Your Class B Tavern and Public Entertainment Premises License Applications Requesting Bands and Instrumental Musicians as agent for "BUMBLEBEE TUNA LLC" for "Ivory Room Piano Bar" at 160 W WISCONSIN Av.

There is a possibility that your application may be denied for one or more of the following reasons: The recommendation of the committee regarding the application shall be based on evidence presented at the hearing. Per MCO 85-2.7-4, probative evidence concerning whether or not a new license should be granted may be presented on the following subjects: whether or not the applicant meets the municipal requirements, the appropriateness of the location and premises where the licensed premises is to be located and whether use of the premises for the purposes or activities permitted by the license would tend to facilitate a public or private nuisance or create undesirable neighborhood problems such as disorderly patrons, unreasonably loud noise, litter, and excessive traffic and parking congestion. Probative evidence relating to these matters may be taken from the plan of operation submitted with the license application, if any, but shall not include the content of any music. Evidence regarding the fitness of the location of the premises to be maintained as the principal place of business, including but not limited to whether there is an overconcentration of businesses of the type for which the license is sought; whether the proposal is consistent with any pertinent neighborhood business or development plans, or the location's proximity to areas where children are typically present. The applicant's record in operating similarly licensed premises; and whether or not the applicant has been charged with or convicted of any felony, misdemeanor, municipal offense or other offense, the circumstances of which substantially relate to the activity to be permitted by the license being applied for or any other factor which reasonably relates to the public health, safety or welfare may also be considered. See attached police report or correspondence.

Re: Jonathan J Sosnowski, Agt. Bumblebee Tuna LLC Ivory Room Piano Bar 160 W Wisconsin Avenue

License Division:

My name is _____, _____, _____ Milwaukee WI and have lived at _____ for
about three years. My apartment is located on the _____ above the entrance to
the proposed Ivory Piano Bar.

I do not object to a piano bar per se, and, although not my preference for that space, my main concern would be the loudspeakers located outside of the proposed business. Loudspeakers blasting music seem to have increased at businesses downtown the last year or so. Those of us living on the Wisconsin Avenue side of MKE Lofts are used to loud traffic and loud pedestrians; however, those noises ebb and flow and are **not** constant. The addition of loudspeakers playing music for hours and hours would certainly be an unwelcome intrusion into our homes.

Some background: Currently, there are white loudspeakers located outside of the proposed piano bar space, that play music every night, from dusk through dawn, along with a slideshow. This started about a year ago. While watching TV one

early evening last year, I could hear music over my TV – very annoying and if one can hear loudspeaker music over one's TV while sitting in their front room; I would say, yep, that's way too loud. I complained to building management; I know of other individuals on my floor that were also bothered by this, and it was indicated there were others in the building that had complained. I do not know for sure who building management had to deal with but the volume was lowered. For a while. I complained four or five more times after the volume was turned up several times since my original complaint. Recently the loudspeaker volume seems to have been lowered more consistently. That being said, there are times the volume is louder than usual.

As already stated, I do not know if speakers are planned but I wanted to voice my concerns as I would rather get this taken care of up front instead of trying to resolve this after the bar opens.

People can be rather cavalier about those of us that live downtown – "it's noisy, you live downtown". Really? And that takes away my right to enjoy quiet time and my right to watch TV without irritating background noise from loudspeakers? I'm not a huge complainer, I just want to enjoy my apartment and watch TV without loudspeaker racket.

Thank you.

Sincerely,

Date: September 5, 2019

4. Persons opposed to the license application are given the opportunity to testify first; supporters may testify after the opponents have finished.
5. When you are called to testify, you will be sworn in and asked to give your name, and address. (If your first and/or last names are uncommon please spell them.)
6. You may then provide testimony.
 - a. Include only information relating to the above license application.
 - b. Include only information you have personally witnessed or seen.
 - c. Provide concise and relevant information detailing how this business has affected or may affect the peaceful enjoyment of your neighborhood.
 - d. If by the time you have the opportunity to testify, the information you wish to share has already been provided to the committee, you may state that you agree with the previous testimony. Redundant or repetitive testimony will not assist the committee in making its recommendation.
7. After giving your testimony, the members of the Licenses Committee and the licensee may ask questions regarding the testimony you have given or other factors relating to the license application.
8. Business Competition is not a valid basis for denial or non-renewal of a license.
